

Preface

The primary objective of this text book is to provide the basic concepts and applications of Mathematics suited to the needs of the students appearing for B.Com (Hons.), M.Com, B.B.A., M.B.A. and other professional examinations. This book covers the entire syllabus of the paper 'Business Mathematics' of third semester of the B.Com. (H.), University of Delhi.

The contents of this book reflect a special concern to present basic concepts in a way that the reader can understand and practice with a variety of illustrations and examples. Thus the approach is to communicate the practical aspects of Mathematics in a way that takes out the common fear of learning any mathematical subject.

There are thirteen chapters in this book and in each of them, the concepts are properly supported by illustrations followed by several varied types of examples to provide students an integrated view of theory and applications. A large number of self-practice problems with hints and answers have been added to each chapter to enable students to learn.

Most of the questions conform to the examination - style ones appearing in the University and Professional examinations.

We, gratefully, acknowledge the inspiration, encouragement and valuable suggestions received from the students and teachers who are teaching undergraduate and post graduate classes of several universities and schools of management.

We are thankful to Prof. R.C. Malhan of St. Stephen's College for his valuable suggestions. We express our gratitude to Dr. Dinesh Khattar, Principal of Kirori Mal College for his constant support and inspiration. Thanks are due to Dr. (Mrs.) Neelam Malhotra, Dr. (Mrs.) Deepa Thirwani, Dr. (Mrs.) Preeti Dharmara of Hans Raj College, Delhi, who are teaching this paper and have been helpful at various stages.

We also acknowledge our thanks to Dr. Ratnesh Rajan Saxena of Deen Dayal Upadhaya College, Dr. (Mrs.) Punita Saxena of College of Applied Sciences, Dr. G.R. Sawhney, Dr. Ritu Arora of Keshav Mahavidyalaya, Dr. (Mrs.) Anu Ahuja of Jesus and Mary College, Dr. R.M. Bhardwaj of SRCC, Dr. Pawan Bala,
