

Contents

Division One PRINCIPLES OF CORPORATE FINANCE

Part One Fundamentals of Finance

Chapter 1 Overview of Financial Management

Business Objective 4

Financial Objectives of a Business Firm, Profit Maximization, Wealth Maximization, Value Maximization, Other Objectives

Approaches to Business Finance 7

Traditional Approach, Modern Approach

Classification of Financial Decisions 8

Investment Decisions, Finance Decisions, Dividend Decisions

Comparison with Other Subjects 10

Comparison with Financial Accounting, Economics, Insurance, Taxation, Business Law, Business Statistics, Business Mathematics, Business English, Business Information Systems, Business Process Management : Science or Art

Financial Review Questions 17

Functions of Financial Controller, Finance Manager as a Facilitator, Reasons for Centralizing Finance Function, Organization Chart of Finance Function, Significance of Financial Management

Impact of Taxation, Inflation and Depreciation 14

Corporate Taxation, Business Taxation, Personal Taxation, Tax Planning and Tax Avoidance, Finance Manager as Tax Planner, Tax Shield, Impact of Inflation

Chapter 2 Time Value of Money, Valuation of Bonds and Warrants

Time Value of Money and Interest Rate Structure 19

Time Value of Money in Investment Decisions, Effects of Inflation on Decision-making, Concept of Interest, Factors Affecting Interest Rates, Obligation to Pay Interest, Interest Rates, Capital Gains and Losses, Nominal and Real Rates of Interest, Interest Rates and Share Prices, Changes in Interest Rates and Financing Decisions

Benchmark Rates 23

LIBOR, Benchmark Rates in India

Theories on Term Structure of Interest Rates 24

Yield to Maturity (YTM) 24

of Stocks 26

Factors Determining Yields, Computation of Yield of Stocks

Simple and Compound Interests 27

Present Value and Discount Factors 29

Present Value, Discount Factors - Compounding Rate and Capitalising Rate

Annuity 31

Future Value of Ordinary Annuity, Present Value of Ordinary Annuity, Present Value of Deferred Annuity, Present Value of Perpetuity

Amortisation and Sinking Fund 33**Valuation of Bonds 34**

Related Terms in Bond Valuation, Bond Value, Theorems in Bond Valuation, Computation of Future Cash Flows of a Bond

Valuation of Warrants 38

Value of Warrant, Advantages of Warrants

Theoretical Review Questions 40 Practical Exercises 41**Chapter 3 Risk-Return Analysis****Kinds of Risk and Risk Analysis 42**

Business Risk and Financial Risk, Risk Analysis in Project Selection, Risk Minimization through Portfolio Diversification

Utility Function and Indifference Curves 44

Utility Function and Risk Taking, Indifference Curves and Attitudes to Risk

Risk and Return 46

Risk and Required Return, Risk-Return Relationship, Costing and Risk, Risk-Return Trade Off

Risk and Return of Single Asset 49

Return of Single Asset, Annual Rate of Return, Average Rate of Return, Risk of Single Asset

Risk and Return of Portfolio (Two Assets) 54

Return of Portfolio, Risk of Portfolio, Optimal Portfolio

Risk of Portfolio Consisting Three Assets 58**Theoretical Review Questions 58 Practical Exercises 59****Part Two Analysis of Profitability and Financial Position****Chapter 4 Financial Statement and Ratio Analysis****Financial Statements 64**

Objectives of Financial Statements, Objectives of Financial Statements Analysis, Types of Financial Statement Analysis, Method of Analyzing Financial Statements

Comparative Financial Statements 66**Common-size Financial Statements 69****Trend Ratios 71****Ratio Analysis 73****Liquidity Ratios 74**

Current Ratio, Quick/Liquid/Acid Test Ratio, Absolute Liquid/Super Quick Ratio, Defensive-Interval Ratio

Leverage Ratios 76

Debt-Equity Ratio, Shareholders Equity Ratio, Long-term Debt to Shareholders Net worth Ratio, Capital Gearing Ratio, Fixed Assets to Long-Term Funds Ratio, Proprietary Ratio, Interest Cover, Debt Service Coverage Ratio (DSCR), Dividend Cover

Asset Management Ratios 79

Inventory Turnover Ratio, Inventory Ratio, Debtors Turnover Ratio, Debtors Collection Period, Bad Debts to Sales Ratio, Creditors Turnover Ratio, Creditors Payment Period, Fixed Assets Turnover Ratio, Total Assets Turnover Ratio, Working Capital Turnover Ratio, Sales to Capital Employed Ratio

Profitability Ratios 82

Gross Profit Margin, Net Profit Margin, Cash Profit Ratio Return on Total Assets, Return on Shareholders Funds or Return on Net Worth, Return on Equity (ROE), Return on Capital Employed (ROCE)

Operating Ratios 85

Market Based Ratios 86

Earnings Per Share (EPS), Cash Earnings Per Share, Dividend Payout Ratio, Dividend Yield, Book Value, Price Earnings Ratio (P/E Ratio), Price to Book Value Ratio (P/BV Ratio)

Du Pont Analysis 88

Importance and Limitations of Ratio Analysis 90

Importance of Ratio Analysis, Factors Affecting Efficacy of Ratios

Non-financial Performance Measures 91

Theoretical Review Questions 92 Practical Exercises 93

Chapter 5 Funds Flow Analysis

Identification of Fund and Flow 97

Meaning of 'Fund' and 'Flow', Identification of Flow of Funds

Statement of Sources and Application of Funds 99

Sources of Funds - Funds Generated from Operations, Funds Raised from Shares, Debentures and Long-term Loans, Sale of Fixed Assets and Long-term Investments; Application of Funds

Statement of Changes in Working Capital 101

Comparison with Financial Statements 103

Funds Flow Statement and Balance Sheet : Distinction, Funds Flow Statement and Income Statement : Distinction

Benefits and Drawbacks of Funds Flow Analysis 104

Benefits of Funds Flow Analysis, Drawbacks of Funds Flow Analysis

Theoretical Review Questions 111 Practical Exercises 111

Chapter 6 Cash Flow Analysis

Meaning of Cash Flow Statements 116

Meaning of Cash and Cash Equivalents, Uses of Cash Flow Statement, Limitations of Cash Flow Statement

Comparison with Funds Flow Statement and Cash Budget 118

Funds Flow and Cash Flow : Distinction, Cash Flow and Cash Budget : Distinction

Classification of Cash Flows 118

Cash Flows from Operating Activities, Cash Flows from Investing Activities, Cash Flows from Financing Activities

Treatment of Special Items 119

Foreign Currency Cash Flows; Extraordinary Items; Interest and Dividends; Taxes on Income; Investments in Subsidiaries, Associates and Joint Ventures; Acquisition and Disposal of Subsidiaries and Other Business Units; Non-cash Transactions

Preparation of Cash Flow Statement 121

Data Required In Preparation of a Cash Flow Statement, Procedure In Preparation of Cash Flow Statement, Reporting of Cash Flows from Operating Activities

Direct Method 122

Indirect Method 125

Theoretical Review Questions 133 Practical Exercises 133

Chapter 7 Economic Value Added Analysis

Economic Value Added (EVA) 138

EVA Concept, How to Calculate EVA?, Means of Enhancing EVA, Steps in Implementing EVA, Superiority of EVA, Drawbacks of EVA

Market Value Added (MVA) 141

Shareholder Value Analysis (SVA) 142

Value Based Management (VBM) 143

Methods of VBM, Benefits and Limitations of VBM

Theoretical Review Questions 144 Practical Exercises 145

Chapter 8 Analysis of Operating and Financial Leverages

Meaning of Leverage 148

Operating Leverage 149

Meaning of Operating Leverage, Degree of Operating Leverage (DOL)

Financial Leverage 150

Meaning of Financial Leverage, Degree of Financial Leverage (DFL), Impact of Financial Leverage on EPS, Impact of Financial Leverage on WACC, Impact of Financial Leverage on ROE and ROA

Total Leverage 152

Meaning of Total Leverage, Degree of Total Leverage (DTL)

Structural Leverage 155

Debt-Equity Ratio, Total Debt to Equity Ratio, Debt to Net Worth Ratio; Interest Cover; Income Gearing

Trading on Equity and Gearing 158

Debt and Equity : Distinction, Trading on Equity, Gearing - Impact of Gearing on Financial Risk, Impact of Gearing on Cost of Capital, Impact of Gearing on EPS

Theoretical Review Questions 162 Practical Exercises 162

Part Three Working Capital Management

Chapter 9 Working Capital Planning

Classification of Working Capital 166

Meaning of Working Capital, Objectives of Working Capital Management, Current Assets and Current Liabilities, Gross and Net Working Capital, Permanent and Temporary Working Capital, Positive and Negative Working Capital

Operating Cycle 171

Computation of Operating Cycle Period, Reasons for Prolonged Operating Cycle, Measures to Reduce Operating Cycle

Working Capital Policies 175

Restricted Policy, Relaxed Policy, Moderate Policy

Strategies in Financing Working Capital 177

Conservative Strategy, Aggressive Strategy, Hedging Strategy, Zero Working Capital Strategy

Inefficiency in Working Capital Management 181

Overtrading, Under Capitalization, Over Capitalization, Symptoms of Poor Working Capital Management, Measures to Overcome Working Capital Crunch

Theoretical Review Questions 183 Practical Exercises 183

Chapter 10 Working Capital Estimation

Determinants of Working Capital Need 187

Working Capital Estimation Methods 189

Percentage of Sales Method, Regression Analysis Method, Operating Cycle Method, Individual Components Method

Approaches to Working Capital Estimation 196

Estimation of Working Capital Need in Special Situations 197

Seasonal Industries, Inflationary Tendency, Shift Operations

Working Capital Leverage 199

Theoretical Review Questions 200

Practical Exercises 201

Chapter 11 Inventory Management

Inventory Policy and Stock Control 203

Importance of Inventory Management, Classification of Inventory, Features of Ideal Inventory Policy, Requirements of Stock Control, Impact of Inflation on Inventory Holding

Input-Output and Stock Turnover Ratio 205

Economic Order Quantity 206

Assumptions of EOQ, EOQ with Discounts

Inventory Levels 210

Reorder Level, Minimum Stock Level, Maximum Stock Level, Danger Level, Average Stock Level

Techniques of Inventory Analysis 212

ABC Analysis, VED Analysis, FNSD Analysis

Pull System and JIT in Inventory Management 215

Theoretical Review Questions 216

Practical Exercises 217

Chapter 12 Receivables Management

Meaning and Importance of Receivables Management 220

Trade Credit 221

Meaning of Trade Credit, Types of Credit, Costs of Granting Credit, Administration Costs of Receivables, Costs of Denying Credit

Steps in Evaluation of Increase in Credit Term 223

Cash Discount 225

Debtors Payment Terms, Economics of Offering Cash Discount, Steps in Evaluation of Increase in Cash Discount

Analysis of Receivables 228

Measuring Day's Sales in Terms of Debtors - Debtors Turnover Method, Count Back Method, Partial Month Period; Ratio Analysis; Ageing Analysis; ABC Analysis; Discriminate Analysis and Credit Scoring; Credit Utilization Report; Cost-Benefit Analysis of Collection Expenses

Credit Control 233

Credit Control Department, Establish Credit Policy, Establish Credit Standards, Assess Credit Risk, Establish Effective Administration of Debtors, Assess Customer Creditworthiness, Establish Policy on Bad Debts

Theoretical Review Questions 237

Practical Exercises 238

Chapter 13 Cash Assets and Treasury Management

Profitability and Liquidity : Relationship 241

Motives for Holding Cash 241

Meaning and Objectives of Cash Assets Management 242

Cash Surplus and Cash Deficit 243

Reasons for Cash Surplus, Reasons for Cash Deficit, Effects of Cash Deficit, Methods of Improving Liquidity

Baumol's EOQ Cash Management Model 244

Assumptions, Limitations

Miller-Orr's Stochastic Cash Management Model 247

Assumptions, Limitations

Marketable Securities 249

Objectives of Investment in Marketable Securities, Principles in Selecting Marketable Securities

Management of Float 250

Sources of Float; Types of Float - Collection Float, Payment Float, Net Float; Accelerating Cash Inflows; Decelerating Cash Outflows

Modes of Cash Management 253

Electronic Cash Management System, Virtual Banking, Setting Cash Balance, Cash Cycle, Zero Balance Account, Money Market Banking, Petty Cash Imprest System

Treasury Management 256

Evolving Role of Treasury as a Profit Center; Role and Functions of Treasurer; Centralized or Decentralized Treasury Management - Advantages of Centralization, Advantages of Decentralization; Cash Management and Treasury Management : Distinction

Theoretical Review Questions 260 **Practical Exercises** 260

Chapter 14 Working Capital Finance, Factoring and Forfaiting

Classification of Working Capital Finance 263

Spontaneous and Negotiated Finance, Channel Financing and Vendor Financing

Trade Credit 264

Meaning of Trade Credit, Terms in Trade Credit, Cost of Taking Credit, Management of Trade Credit

Working Capital Finance from Banks 266

Non-Fund Credit Facility, Cash Credit, Overdraft, Bills Purchase/Discount, Letters of Credit, Bank Guarantees, Bills Acceptance Line of Credit, Demand Loan, Lien

Security for Short-term Financing 269

Pledge of Accounts Receivables, Charge on Inventory

Approaches to Working Capital Financing by Banks 270

Maximum Permissible Bank Finance (MPBF) - First Method, Second Method, Third Method; Current Ratio Financing; Cash Flow Financing

Factoring 272

Functions of a Factor, Types of Factoring, Factoring Mechanism, Benefits of Factoring, Cost-Benefit Analysis of Factoring, Factoring and Securitization : Distinction, Factoring and Bills Discounting : Distinction; Export Factoring - Two Factor System, Direct Factoring, Comparison of Model-I and Model-II

Forfaiting 278

Mechanism of International Forfaiting, Charges of Forfaiting, Liability of Primary Forfeiter, Problem Areas in Forfaiting, International Factoring and International Forfaiting : Distinction; Benefits of International Forfaiting - Benefits to Exporters, Benefits to Importers

Other Sources of Working Capital Finance 281

Theoretical Review Questions 282 **Practical Exercises** 282

Chapter 15 International Trade Finance

Need For Export Finance 286

Modes of Payment in International Trade 287

Clean Payments, Bills for Collection, Documentary Credit

Bill of Entry and Bill of Lading 287

Pre-shipment Trade Finance 288

Objectives of Pre-shipment Finance, Types of Pre-shipment Finance

Packing Credit 288

Meaning of Packing Credit, Types of Packing Credit, Requirements for Getting Packing Credit, Eligibility for Getting Packing Credit, Quantum of Finance

Letter of Credit 289

Meaning of Letter of Credit, Types of LC Transactions, Procedure for Opening Letter of Credit, Standby Letter of Credit

Bank Guarantees 292

Meaning of Bank Guarantee, Types of Bank Guarantees, Letter of Credit and Bank Guarantee : Distinction

Co-acceptance of Bills 292

Meaning of Co-acceptance of Bills; Benefits of Co-acceptance of Bills - Benefits to Customer, Benefits to Bank; Mechanism of Co-acceptance of Bills

Post-shipment Trade Finance 293

Features of Post-shipment Finance; Financing for various Types of Exports; Types of Post-shipment Finance - Export Bills Purchased/ Discounted (DP & DA Bills), Export Bills Negotiated (Bills under L/C), Advance Against Export Bills Sent on Collection Basis, Advance Against Export on Consignment Basis, Advance Against Undrawn Balance on Exports, Advance Against Receivables from Government; Finance for Project Exports; Post-shipment Credit in Foreign Currency (PSCFC) Scheme

Credit Insurance 295

Need for Insurance of Credit Risk, Coverage of Risks in Credit Insurance; Key Features of Credit Insurance, Benefits of Credit Insurance

Other Forms of Export Credit 297

Bilateral Credit, Suppliers Line of Credit, Counter Trade, Balance of Payment (BOP), Trading Block

Export Credit and Guarantee Corporation of India Ltd. (ECGC) 298

Product Basket of ECGC

Export Import Bank of India (EXIM Bank) 299

Functions of Exim Bank, Export Credit Facilities, Finance for Export Oriented Units

Theoretical Review Questions 300

.....

Part Four Capital Structure and Dividend Decisions

Chapter 16 Cost of Capital and Impact on Firm's EPS

Meaning and Importance of Cost of Capital 304

Meaning of Cost of Capital, Categories of Long-term Funds, Importance of Cost of Capital in Decision-making

Cost of Equity Share Capital (K_e) 306

Dividend Yield Method, Dividend Growth Method, Price Earning Method, Capital Asset Pricing Model

Cost of Retained Earnings (K_r) 310

Opportunity Cost Approach, Rights Offer Approach

Cost of Preference Share Capital (K_p) 312

Cost of Irredeemable Preference Shares, Cost of Redeemable Preference Shares

Cost of Debentures and Term-Loans (K_d) 312

Nominal and Real Cost of Debt, Cost of Perpetual Debt, Cost of Redeemable Debt, Cost of Zero Coupon Bonds, Cost of Convertible Debentures, Cost of Floating Rate Debt

Weighted Average Cost of Capital (WACC) 317

Simple WACC, WACC Based on Book Values and Market Values, WACC Considering Tax Shield, Use of WACC in Investment Appraisal

Opportunity Cost of Capital 320**Marginal Cost of Capital 321**

Marginal Cost of Capital and WACC

Theoretical Review Questions 321 Practical Exercises 322**Chapter 17 Capital Structure Theories and Value of Firm****Equity and Debt in Capital Structure 326**

Equity Funds, Debt Funds

Factors Determining Capital Structure 327**Optimum Capital Structure 329****Capital Structure Theories 329**

Basic Assumptions of Capital Structure Theories

Net Income Approach 329**Net Operating Income Approach 331****WACC Approach (Traditional View) 333****Modigliani and Miller Approach (Modern View) 335**

Assumptions of MM Theory, MM Theory: No Taxation, MM Theory: Proposition-I, MM Theory: Proposition-II, MM Theory: Proposition-III, MM Theory: Arbitrage, MM Theory: Criticism, MM Theory: Corporate Taxation, MM Theory: Personal Taxation, Financial Distress and Agency Costs, Financial Distress and Bankruptcy Costs, Agency Costs

Pecking Order Theory 343**Modified Pecking Order Theory 344****Debt-Equity Ratio Approach 344****EBIT-EPS Approach 346**

Financial Break-even, Financial Indifference Point

Financial and NEDC Risks Trade-off Approach 348**Theoretical Review Questions 350 Practical Exercises 351****Chapter 18 Dividend Theories and Value of Firm****Meaning and Kinds of Dividend 354**

Meaning of Dividend, Terminology of Dividend, Kinds of Dividend

Determinants of Dividend Policy 355**Dividend Payout Policies 358**

Constant Dividend Payout Policy, Constant Dividend Rate Policy, Optimum Dividend Policy

Dividend Growth Model 361

Assumptions, Criticism

Walter's Valuation Model 365

Assumptions, Implications of Walter's Model

Modigliani and Miller's Dividend Irrelevancy Model 367

Basic Tenets, Assumptions, Computation of Market Price of Share

Capital Asset Pricing Model 370

Gordon and Linter's Theory 371

Other Theories on Dividend Policy 371

Tax Differential Theory, Residual Theory, 100% Payout Theory, 100% Retention Theory, Investor Rationality Theory, Span of Control Theory

Theoretical Review Questions 372

Practical Exercises 373

Division Two

ADVANCED FINANCIAL MANAGEMENT

Part Five Project Management

Chapter 19 Project Planning and Control

Importance of Capital Investment Decisions 379

Capital Investment Process 379

Kinds and Classification of Projects 380

Kinds of Projects - Balancing Projects, Modernization Projects, Replacement Projects, Expansion Projects, Diversification Projects; Classification of Projects, Forward and Backward Integration, Rationale for Diversification, New Concepts in Financing and Execution of Projects

Organization Structure for Project Management 383

Matrix Organization Structure, Task Force Organization Structure, Project Management as a Staff Function, Benefits of Project Management

Role and Responsibilities of Project Manager 385

Skills and Attributes of Project Manager; Responsibilities of Project Manager - Explicit Responsibilities, Implicit Responsibilities; Benchmarking of Project Management Performance

Project Planning and Implementation 387

Functions of Project Planning, Areas of Project Planning, Designing and Operation of Systems, Systems Approach

Information Systems in Project Management 388

Project Management Information Systems (PMIS), Communication Channels, Use of Computers in Project Management

Project Feasibility Studies 389

Initial Selection of Project Ideas, Pre-investment Study (PIS), Pre-Project Activities, SWOT Analysis, Market Appraisal, Sources of Data, Feasibility Study Report, Market Survey, Charts and Layouts in Technical Analysis, Pre-feasibility and Feasibility : Distinction

Project Location and Site 393

Selection of Project Location, Selection of Project Site, Soil and Topography, Selection of Technology

Important Terms in Project Management 395

Zero Date, Financial Closure, Project Visibility, Work Breakdown Structure, Brown Field Project, Resource Smoothing, Resource Levelling, Project Execution Plan (PEP), CAT and RAT Schedule, Line of Balance (LOB), Value Engineering Review, Risk Aware Culture, Project Procedure Manual

Monitoring and Control of Project 398

Time and Cost Trade-off, Monitoring of Capital Expenditure, Variance and Performance Analysis, Network, Network Analysis (PERT & CPM), Invisible Walls in Project Estimating, Techniques for Project Control

Incentives for Setting Up of Projects 401

Incentives for Export Oriented Units, Incentives for Units in Industrially Backward Area, Incentives for Small Scale Industries, Tax Considerations in Project Planning

Factors affecting Project Planning 403

Globalization and Liberalization; Strategic Factors; Micro and Macro Factors - Macro Considerations at National Level, Micro Considerations at Sectorial Level

Cost and Time Overruns 405

Reasons for Cost and Time Overruns, Methods to Avoid Cost and Time Overrun, Specific Ways to Overcome Cost Over-run, Weaknesses of Conventional Project Cost Control

Terms of Contract 408

Risks in Contract-Contractor Angle, Risks in Contract-Owner's Angle, Pre-Qualification of Contractor; Types of Contract Payment- Lumpsum Contracts, Cost Plus Contracts; Liquidated Damages Clause, Milestone Payment Plan, Retention Money, Running Account Bills, Main Directions in Purchase Order or Work Order, Payments and Deductions to Civil Contractor, Earnest Money and Earned Value Commitment

Project Life Cycle and Life Cycle Costing 412**Foreign Exchange Requirement of a Project 414****Reasons for Project Failure 414****Other Topics Relating to Project Management 415**

Resource Optimization in Projects, Post Project Evaluation, Pricing Policy in Project Investments, Importance of Discounting Methods in Project Evaluation

Theoretical Review Questions 416**Chapter 20 Capital Budgeting Methods****Capital Budgeting 419****Payback Period Method 420****Accounting Rate of Return Method 422****Net Present Value Method 423****Internal Rate of Return Method 425****NPV and IRR: Reasons for Conflict 428****Profitability Index Method 429****Discounted Payback Period Method 430****Adjusted Present Value Method 430****Assumptions in Use of DCF Techniques 431****Capital Rationing 434**

Meaning of Capital Rationing; Factors Leading to Capital Rationing - External Factors, Internal Factors; Situations of Capital Rationing - Situation I: Projects are Divisible and Constraint is a Single Period One, Situation II: Projects are Indivisible and Constraint is a Single Period One, Situation III: Projects are Divisible and Constraint is Multi-period one

Impact of Inflation on Capital Budgeting 436

Meaning of Inflation, Synchronized and Differential Inflation, Money Cash Flows and Real Cash Flows

Impact of Corporate Taxation on Capital Budgeting 437

Impact of Investment Incentives on Capital Budgeting 439

Impact of Non-financial Factors In Capital Investment Decisions 439

Theoretical Review Questions 440 **Practical Exercises** 441

Chapter 21 Risk Evaluation in Capital Budgeting

Risk and Uncertainty 448

Risk Management - Objectives of Risk Management, Steps in Risk Management Process

Probability and Expected Value 450

Probability Analysis, Basic Tenets of Probability Theory, Important Terms in Probability Theory, Advantages and Disadvantages

Optimistic, Most Likely and Pessimistic Estimates 453

Value of Perfect Information 454

Value of Perfect Information, Value of Imperfect Information

Standard Deviation of Cash Flows 456

Hillier's Model for Risk Analysis

Sensitivity Analysis 457

Certainty Equivalent (CE) 459

Risk Adjusted Discount Rate (RADR) 459

RADR and CE : Distinction

Decision Tree 460

Rules and Conventions of Drawing Decision Tree, Steps in Drawing Decision Tree

Simulation 464

Steps in Monte Carlo Simulation, Application of Simulation, Advantages of Simulation, Limitations of Simulation, Hertz Simulation Model

Project Beta 468

Capital Structure and Beta Values, Symbols, Unlevered Firm with Single Project, Unlevered Firm with Multiple Projects, Levered Firm with Single Project, Levered Firm with Multiple Projects

Theoretical Review Questions 472 **Practical Exercises** 473

Chapter 22 Project Profitability : Estimation and Appraisal

Risks Associated with Project Financing 483

Political Risk, Country Risk, Social Risk, Economic Risk, External Risk, Exchange Risks, Other Risks

Detailed Project Report (DPR) 486

Contents in Detailed Project Report - Introduction to Project and Industry, Project Details, Raw Materials Details, Utilities Details, Manpower Details, Technical Details, Financial Details, Marketing Details, Project Evaluation-Social Angle

Project Appraisal by Financial Institutions 488

Appraisal of Financial Feasibility - Cost of Project, Means of Finance, Margin Money, Promoters Contribution, Cost of Production and Profitability, Cash Flow Estimates, Proforma Balance Sheets; Appraisal of Technical Competence; Appraisal of Managerial Competence

Project Appraisal During Periods of Inflation 492

Restrictive Covenants in Long-term Loan Agreement 493

Theoretical Review Questions 497 **Practical Exercises** 497

Chapter 23 Infrastructure Projects, Disinvestment, Privatization and Social Cost Benefit Analysis

Infrastructure : Meaning and Issues 503

Meaning of Infrastructure under RBI Circular, Meaning of Infrastructure under Companies Act, 2013, Major Issues in Infrastructure Development

Infrastructure Finance 506

Salient Features of Infrastructure Finance, Institutional Finance for Infrastructure Sector, Take-out Finance; Sources of Infrastructure Finance - Domestic Sources, External Sources; Infrastructure Bonds, Differentiated Features of Infrastructure Finance, SEBI Regulations as to Infrastructure Development Funds (IDFs), RBI Guidelines as to Infrastructure Development Funds (IDFs)

Public Private Partnership (PPP) 509

Models of PPP - Concession Model, Public Finance Initiative (PFI) Model; Key Terms in PPP, Main Criteria for PPP, Need for PPP, Frameworks of PPP, Constraints in Implementation of PPP, Applicability of PPP, Reasons for Popularity of PPP, PPP and Privatization : Distinction, Criticism Against PPP

Special Economic Zone (SEZ) 515

Meaning of SEZ, Objectives of SEZ, Preconditions for Setting up of SEZ, Acquisition of Land Exemptions, Drawbacks and Concessions, SWOT Analysis of SEZs

Disinvestment 517

Meaning of Disinvestment, Objectives of Disinvestment, Disinvestment Strategy, Methods of Valuation of Shares, Modalities of Disinvestment, Disinvestment Process, Argument in Favour of Disinvestment Process, Arguments Against Disinvestment Process, Government's Attitude on Disinvestment of PSEs

Privatization 521

Meaning of Privatization, Reasons for Privatization, Types of Privatization, Approaches in Privatization, Challenges of Privatization, Criteria for Privatization or Liquidation

Cost Benefit Analysis (CBA) 524

Meaning of CBA, Investment Decisions under CBA, CBA Procedure; Techniques of CBA - Discounted Cash Flow Techniques, Benefit/Cost Comparison, Benefit/Cost Ratio

Social Cost Benefit Analysis (SCBA) 526

Meaning of SCBA, Commercial and SCBA Computations : Distinction, Social Desirability of a Project

Economic Appraisal of a Project 528

Economic Rate of Return (ERR), Domestic Resource Cost (DRC), Effective Rate of Protection (ERP)

Environmental Viability 529

Ecological Analysis, Environmental Factors

Green Marketing 530

Importance of Green Marketing, Few Companies with Green Marketing

Green Audit 531

Meaning of Green Audit, Objectives of Green Audit, Green Audit Process, Types of Green Audit

Greenex Index 533

Theoretical Review Questions 534

Chapter 24 Financial Planning and Strategy

Strategic Management 536

Meaning of Strategy; Steps in Strategic Planning; Economic Environment of Business - International Factors, Factors influencing at National Level, Factors influencing at Organization Level

Strategic Financial Management 539

Financial Sector Reforms

Financial Planning 541

Financial Planning Environment, Financial Planning Process, Limitations of Financial Planning

Measures of Performance 543

Measures of Financial Performance, Measures of Non-financial Performance, Need for Range of Performance Measures

Forecasting 544

Meaning of Forecast, Financial Forecasting Techniques, Benefits of Financial Forecasting

External Funds Requirement (EFR) 545

Internal Growth Rate (IGR) 549

Sustainable Growth Rate (SGR) 549

Agency Theory of Employment 551

Agency Costs, Constituents of Agency Theory, Criticism of Agency Theory

Financial Engineering 552

Meaning of Financial Engineering, Features of Financial Engineering

Latest Developments 554

Fiscal Deficit, Whistle Blowing, E-Governance

Theoretical Review Questions 556

Practical Exercises 557

Part Six Capital Markets

Chapter 25 Equity Market and Instruments

Financial Market 561

Capital Market 561

Meaning of Capital Market, Kinds of Capital Market, Transaction Costs in Capital Market

Participants in Capital Market 562

Pure Borrowers, Pure Lenders (Investors), Both Borrowers and Lenders

Equity Shares 563

Preference Shares 564

Forms of Preference Shares

Non-Voting Shares (NVS) 565

Other Forms of Shares 566

Sweat Equity Shares, Puttable Common Shares, Tracking Stocks

Categories of Securities Issue 567

Public Issue of Securities, Rights Issue, Private Placement

Matters Relating to Public Issue of Shares 568

Public Issue through On-line System (E-IPO), Free Pricing of Issues, Pre-Issue and Post-Issue Management of Public Issues, Disadvantages of Flotation, Denomination of Securities

Green Shoe Option (GSO) 570

Meaning of GSO, Regular GSO, Reverse GSO

Rights Issues 571

Meaning of Rights Issue, Reasons for Rights Issue, Valuation of Rights, Theoretical Value of Right, Valuation of Share after Rights Issue, Long-dated Rights, Advantages of Rights Issue

Employee Stock Option Plan (ESOP) 574

Meaning of ESOP; Different Stock Option Plans - Employee Stock Option Plan (ESOP), Employee Stock Purchase Plan (ESPP), Restricted Stock Units (RSU), Stock Appreciation Rights (SAR); Employee Stock Options (ESOs) and Ordinary Options: Distinction, Benefits and Drawbacks of ESOPs

Book Building 576

Meaning of Book Building, Intermediaries in Book Building, Benefits of Book Building, Book Building Process, Limitations of Book Building

Shareholder Activism 579

Meaning of Shareholder Activism, Shareholder's Rights

Recent Trends in Capital Market 580**Theoretical Review Questions 581 Practical Exercises 582****Chapter 26 Debt Market and Instruments****Characteristics and Classification of Debt Securities 585**

Characteristics of Debt Securities, Classification of Debt Securities, Selection of Securities, Regulation of Debt Markets

Market Participants In Debt Markets 586**Central Government Securities 587**

Types of Government Securities, Features of Government Securities, Participants in Government Securities Markets, Primary Issuance Process, Manner of Issue of Government Securities, Major Risks in Holding Government Securities, State Government and Public Sector Instruments

Municipal Bonds 590**Corporate Bond Market 591**

Trading in Corporate Debt Market, Issuance of Corporate Bonds, Trading of Corporate Debt Instruments

Government Debt Market 592

Trading Systems in Debt Market, Wholesale Debt Market of NSE

Debentures 593

Meaning of Debentures, Advantages and Drawbacks of Issue of Debentures, Kinds of Debentures, Debentures and Share Capital : Distinction

Convertible Debentures (CDs) 595

Meaning of CD, Classification of CDs, Advantages and Disadvantages of CDs, Valuation of CDs

Warrants 598

Meaning of Warrants, Equity Warrants with NCDs, Warrants and CDs : Distinction

Hybrid Debt Instruments 599

Zero Coupon Bond (ZCB), STRIPS, Zero Coupon Convertible Note, Secured Premium Notes (SPN), Step-up and Step-down Debentures, Debt for Equity Swap, Junk Bonds, Floating Rate Bonds (FRBs); Other Hybrid Debt Instruments - Multi-option Secured Redeemable Convertible Debentures, Option Tender Bonds, Guaranteed Debentures, Subordinated Debentures, Indexed Bonds, Inflation Adjusted Bonds (IABs), Credit Wrapping, Dutch Auction Notes, Oil Bonds, Callable Bonds, Puttable Bonds

Mezzanine Debt 603

Meaning of Mezzanine Debt, Advantages of Mezzanine Debt Financing

Collateralized Borrowing and Lending Obligation (CBLO) 604**Theoretical Review Questions 605 Practical Exercises 606**

Chapter 27 Money Market and Instruments

Money Market 608

Meaning of Money Market, Functions of Money Market, Benefits of Developed Money Market, Reasons for Growth of Money Market in India

Participants in Money Market 610

Facilities in Government Securities Market 611

Facilities to Gilt Funds, Reforms in Government Securities Market, RBI Measures to Control Inflation, Platforms for Trading Government Securities

Negotiated Dealing System (NDS) 613

Treasury Bills (TBs) 614

Meaning of TB, Features of TB

Commercial Paper (CP) 615

Meaning of CP, Features of Commercial Paper, Advantages and Disadvantages of CP

Certificate of Deposit (CD) 618

Meaning of CD, Features of CD, Rate of Interest on CDs

Call Money Markets 619

Meaning of Call Money, Features of Call Market, Functions of Call Market, Participants in Call Money Market

Repo Transactions 620

Meaning of Repo and Reverse Repo, Calculating Settlement Amounts in Repo Transactions, Uses of Repo, Repo Markets in India

Interbank Participation Certificates (IBPCs) 621

Meaning of IBPC, Features of IBPC

Usance Promissory Notes (UPNs) 622

Commercial Bill 622

Banker's Acceptance (BA) 623

Other Money Market Modes 623

Bank Deposits, Term Money, Public Deposits, Intercompany Deposits, Money Market Mutual Fund, Fringe Market

Primary Dealers in Government Securities 624

Meaning of Primary Dealers, Objectives for Setting-up of Primary Dealer System, Facilities Available to Primary Dealers

Securities Trading Corporation of India Ltd. 625

Discount and Finance House of India 626

Clearing Corporation of India Limited (CCIL) 626

Theoretical Review Questions 627 Practical Exercises 628

Chapter 28 Stock Market Efficiency and Behavioural Finance

Stock Market 630

Market, Primary and Secondary Market, Meaning of Stock Market, Reasons for Transactions on Stock Market, Kinds of Stock Market

Stock Exchange 631

Meaning of Stock Exchange, Services of Stock Exchanges, Corporatization and Demutualization of Stock Exchanges, Risk Management in Stock Exchange

Listing of Securities 633

Meaning of Listing, Advantages of Listing

Trading Systems in Stock Market 634

Screen Based Trading System (SBTS), Scripless Trading, Demat Trading

On-Line Stock Market Trading 635

On-Line Stock Trading Environments, Wireless Application Protocol (WAP), Direct Market Access (DMA), Margin Trading

Short Selling 636

Meaning of Short Selling, Forms of Short Selling, Reasons for Short Selling, Securities Lending and Borrowing (SLB) Scheme, Circuit Breaker System

E-Trading of Securities 638

Reasons for Popularity of E-Trading, E-Trading Model, Assumptions for E-Trading Model

Insider Trading 639

Meaning of Insider Trading, Disclosure Practices to Prevent Insider Trading

Stock Market Indices 640

BSE Total Equity Market Indices, BSE Sensex, Scrip Selection Criteria in BSE Sensex, Calculation of Closing Price of BSE Sensex, Standard & Poor's Indices, Classification of Scrips, Reasons for Lack of Liquidity, Bull Market and Bear Market, Market Capitalization

Noise Theory and Random Walk Theory 644

Fisher Black's Noise Theory, Random Walk Hypothesis

Efficient Market Hypothesis (EMH) 644

Meaning of EMH, Forms of Stock Market Efficiency, Characteristics of Efficient Market, Assumptions of EMH, Individual Returns and EMH, Indian Stock Market and EMH

Fair Game Concept and Adaptive Market Hypothesis 646

Fair Game Concept; Adaptive Market Hypothesis - Assumptions of AMH, Implications of AMH

Behavioural Finance 647

Definitions of Behavioural Finance, Meaning of Behavioural Finance, Common Irrational Investment Behaviours, Applications of Behavioural Finance, Anomalies in Capital Markets

Leading Stock Exchanges in India 652

National Stock Exchange, Bombay Stock Exchange

Recent Trends in Stock Market 653**Theoretical Review Questions 656 Practical Exercises 657****Chapter 29 Institutional and Bank Financing****Financial Intermediation 658****Forms of Institutional and Bank Finance 659**

Term Loans/Project Finance, Loan Transfers, Non-recourse Financing, Consortium Lending, Loan Participation, Bridging Finance, Reverse Mortgage, Transaction Loans

Off-Balance Sheet Financing 663**Banking Services 663**

Universal Banking, Correspondent Banking, Retail Banking, Private Banking

E-Banking 664

E-Banking Support Services - Common E-Banking Services, Cash Management Services; CHIPS and SWIFT

Financial Innovations in Banking Sector 665

Meaning of Financial Innovation; Functions of Financial Innovations - E-Banking, Core Banking Solution (CBS), Corporate Banking, Investment Banking, Rural Banking, NRI Banking, Retail Banking; Types of Products and Services; Types of Electronic Systems

Financial Inclusion 668

Services Covered under Financial Inclusion, Financially Excluded People, Factors Affecting Access to Financial Services, Consequences of Financial Exclusion, Benefits of Inclusive Financial Growth, Reserve Bank's Initiatives Towards Financial Inclusion

Development Financial Institutions (DFIs) 671

Role of DFIs in Economic Development, Industrial Development Bank of India (IDBI), State Industrial Development and Investment Corporations (SIDICs)

Self-Help Groups 672

Shadow Banking System (SBS) 673

Money Laundering and Terrorist Financing 674

Money Laundering - Money Laundering Process, Methods of Money Laundering; Terrorist Financing

Financial Planning for Individuals 675

Meaning of Financial Planning, Importance of Financial Planning

Retirement Planning for Individuals 676

Meaning of Retirement Planning, Objectives and Importance of Retirement Planning, Core characteristics of a Standard Retirement Plan

Theoretical Review Questions 677

Chapter 30 International Long-term Finance

Foreign Investment 678

Foreign Direct Investment (FDI), Foreign Portfolio Investment (FPI), Entities Eligible to Invest under FII Route, Terms and Conditions for Grant of Registration as FIIs, Benefits of FIIs Investments, Costs of FIIs Investments, Qualified Institutional Placement

Depository Receipts 684

Similarities of ADRs and GDRs, Salient Features of ADRs/GDRs; Categories of ADR Programs - Level I ADR Program, Level II ADR Program, Level III ADR Program, Unsponsored ADRs, Restricted ADRs; Benefits of ADR/GDR Issue, Comparison of ADRs and GDRs, Fungibility

Foreign Currency Convertible Bonds (FCCBs) 690

Meaning of FCCB, Advantages of FCCBs, Disadvantages of FCCBs, Taxation Aspects of FCCBs, End Use Restriction of FCCBs, Comparative Analysis of FCCB and GDR

Foreign Currency Exchangeable Bonds (FCEBs) 692

Meaning of FCEB, Conditions for Issue of FCEBs, End use Restrictions of FCEBs

External Commercial Borrowings (ECBs) 693

Euro Currency Market 695

Meaning of Euro Currency Market, Functions of Euro Currency Markets, Types of Euro Currency Loans

Other Forms of International Finance 696

Foreign Domestic Capital Markets, Syndicated Credits, Eurobond, Multiple Currency Bonds, Foreign Bonds, Alpine Convertibles, Europe Medium Term Notes (EMTNs), Participatory Notes (PNs), All India Financial Institutions (AIFIs), Multinational Corporations (MNCs), Commercial Banks having International Operations

International Financial Institutions 699

International Monetary Fund, World Bank, International Development Association (IDA), International Finance Corporation, Washington (IFCW), Asian Development Bank (ADB)

Foreign Collaboration 701

Issues to be Considered in Foreign Technical Collaborations, Issues to be Considered in Evaluation of Foreign Investment Proposals

Theoretical Review Questions 703

Part Seven Financial Services

Chapter 31 Leasing, Hire Purchase and Credit Cards

Leasing 706

Meaning of Leasing, Features of Lease Contract; Forms of Lease Agreements - Financial Lease, Operating Lease, Sale and Lease Back, Leveraged Lease, Sales Aid Leasing; Structure of Lease Rentals, Effects of Leasing on Financial Statements, Tax Effects of Leasing, Advantages and Disadvantages of Leasing, Evaluation of Lease or Buy Decision, Present Value Method, Cost of Capital Method, Bowring-Herringer-Williamson Method, Cross Border Leasing

Hire Purchase 716

Meaning of Hire Purchase, Features of Hire Purchase, Leasing and Hire Purchase : Distinction

Consumer Finance 717

Meaning and Types of Consumer Finance, Sources of Consumer Finance, Demand for Consumer Finance Factors

Credit Cards 718

Meaning of Credit Cards, Features of Credit Card, Types of Credit Cards, Advantages of Credit Cards

Theoretical Review Questions 721

Practical Exercises 722

Chapter 32 Mutual Funds and Exchange Traded Funds

Definition and Meaning of Mutual Funds 726

SEBI Regulations on Mutual Funds 726

Registration of Mutual Funds, Role of AMFI

Parties to Mutual Fund 727

Kinds of Mutual Fund Schemes 728

Criteria in Selection of Mutual Fund 730

Benefits and Drawbacks of Mutual Funds 731

Entry Load and Exit Load 732

Net Asset Value (NAV) 733

Return on Investment 734

Return on Mutual Fund, Required Return on Mutual Fund Investment (as a percentage), Effective Yield on Mutual Fund Investment

Variability of Return 737

Standard Deviation, Sharpe Ratio, Treynor Ratio - Sharpe and Treynor Measures : Distinction, Sortino Ratio, Differential Return Jensen's Alpha, Appraisal Ratio, M Measure

Hedge Funds 740

Meaning of Hedge Funds, Benefits of Hedge Funds, Hedge Funds and Mutual Funds : Distinction

Sovereign Wealth Funds (SWFs) 741

Meaning of SWFs, Nature and Purpose of SWFs, Management of SWFs

Exchange Traded Funds (ETFs) 742

Concept and Operation of ETFs, ETFs and Conventional Mutual Funds : Distinction, Categories of Index based ETFs, Benefits of Investing in ETFs, Risks in Trading in ETFs

Gold ETFs (GETFs) 745

Concept of GETFs, Advantages of GETFs Over Physical Gold Investment, Risks to GETFs

Ethical Funds 746

Pension Funds 746

Socially Responsible Investing (SRI) 747

Concept of SRI, Strategies for SRI, Attributes for Popularity of SRI

Statistical Data of Recent Trends 748

Theoretical Review Questions 749 Practical Exercises 750

Chapter 33 Credit Rating and Asset Securitization

Credit Rating 753

Meaning of Credit Rating, Credit Rating Process, Kinds of Credit Rating, Credit Rating Symbols, Sources of Information for Credit Rating, Credit Rating Methodology, Benefits of Credit Rating, Credit Rating Agencies

Asset Securitization 759

Meaning of Asset Securitization, Parties in Asset Securitization Process, Special Purpose Vehicle (SPV), Process of Asset Securitization, Instruments in Asset Securitization, Forms of Asset Securitization, Advantages of Asset Securitization

Theoretical Review Questions 763

Chapter 34 Venture Capital and Private Equity

Venture Capital 764

Meaning of Venture Capital, Features of Venture Capital Finance, Activities Eligible for Support, Stages in Venture Capital Financing, Forms of Financial Assistance from VC Funds, Types of Venture Capital Financing, Advantages of VC Finance, Venture Capital Players in India

Private Equity 768

Meaning of Private Equity, Private Equity and Promoters Equity : Distinction, Criteria for Evaluation of Investment Proposal, Necessity of PE, Exit Routes for PE, Importance of PE, Benefits and Drawbacks of PE, Reasons for Growing Popularity of PE

Theoretical Review Questions 771

Chapter 35 Depositories, Custodians and Other Financial Services

Depositories 773

Meaning of Depository, Scripless Trading System, Bank Account and Depository Account : Distinction, Physical and Dematerialized Share Trading : Distinction, Constituents of Depository System, Safety Features in Depository System, Dematerialization, Rematerialization, Corporate Action, Other Important Terms, Benefits from Depository System, Framework of Depositories in India, National Securities Depository Limited (NSDL), Central Depository Services (India) Limited (CDSL)

Custodians 780

Meaning and Operations of Custodian, Duties and Responsibilities of Custodians, Stock Holding Corporation of India Ltd. (SHCIL)

Financial Services 782

Meaning of Financial Services, Objectives of Financial Services, Activities of Financial Service Companies - Fund Based Activities, Non-Fund (Fee-based) Activities, Modern Activities

Merchant Banking 784

Definition and Meaning of Merchant Banking, Functions of Merchant Banker, Role of Merchant Bankers in Public Issues

Loan Syndication 785

Underwriting 785

Classification of Underwriting

Share Registrars and Transfer Agents 786

Debenture Trustees 786

Stock Broker 787

Code of Conduct of Registered Stock Broker

Qualified Institutional Buyers (QIBs) 788

Market Makers 788

Portfolio Managers 788

Theoretical Review Questions 789

Part Eight Portfolio and Investment Management

Chapter 36 Investment Methods and Strategies

Portfolio Management 792

Meaning of Portfolio and Portfolio Management, Basic Principles of Portfolio Management, Objectives of Portfolio Management, Factors Affecting Investment Decisions, Factors Determining Choice of Investments, Portfolio Management Styles, Portfolio Construction

Types of Companies and Stocks 795

Types of Companies from the View of Securities Analyst, Types of Stocks for Making Investment Strategies

Investment Strategies 796

Asset Allocation Strategies, Constant Proportion, Constant Mix, Rupee Cost Averaging, Value Cost Averaging, Other Investment Strategies, Matrix Model

Theoretical Review Questions 800

Practical Exercises 800

Chapter 37 Securities Analysis

Meaning of Securities Analysis 801

Fundamental Analysis 802

Meaning of Fundamental Analysis, Categories of Fundamental Analysis - Quantitative Analysis, Qualitative Analysis, Macro Economic Analysis, Industry Analysis; Other Aspects of Fundamental Analysis

Technical Analysis 804

Meaning and Assumptions of Technical Analysis, Technical Analysis and Fundamental Analysis: Distinction, Dow Theory, Elliot Wave Analysis, Chartism, Japanese Candlestick Charting, Filter rules, Moving Average, Moving Average Convergence-Divergence (MACD), Stochastics Oscillator, Relative Strength Index (RSI)

Other Methods of Securities Analysis 815

Advance Decline Theory, Short Interest Theory, Block Uptick-Downtick Ratio, Money Flow Index (MFI), Reversal Effect, New High and New Lows, Credit Balance Theory

Theoretical Review Questions 816

Practical Exercises 817

Chapter 38 Capital Asset Pricing Model

Portfolio Risk and Return 818

Concept of CAPM 819

Types of Risks under CAPM 820

Systematic Risk - Market Risk, Interest Rate Risk, Purchasing Power Risk; Unsystematic Risk - Business Risk, Financial Risk, Default Risk

Assumptions, Benefits and Limitations of CAPM 822

Security Market Line (SML) 822

Characteristic Line 824

Beta Coefficient of Individual Security 824

Beta Coefficient of Mutual Fund 826

Beta Coefficient of Market Portfolio 826

Risk-Return Trade-off

Alpha Coefficient 832

Arbitrage Pricing Theory (APT) 833

Theoretical Review Questions 833 **Practical Exercises** 834

Chapter 39 Markowitz Mean-Variance Analysis

Mean-Variance Theory 837

Concept of Mean Variance, Assumptions

Efficient Frontier 838

Capital Market Line (CML) 840

CML and SML : Distinction

Separation Theorem 841

Market Portfolio 842

Theoretical Review Questions 842

Part Nine Combinations and Restructuring

Chapter 40 Business Failures

Growing Importance of Industrial Sickness 844

Internal and External Causes for Industrial Sickness 845

Internal Causes for Industrial Sickness - Planning and Implementation Stage, Commercial Production Stage; External Causes for Industrial Sickness

Reasons for Business Failure 846

Detection of Incipient Sickness 847

Working Capital Management in Sick Industries 847

Models for Prediction of Industrial Sickness 848

Univariate Models, Multiple Discriminant Analysis (MDA), Taffler and Tisshaw Model, Argenti Score Board

Strategic Approach to Overcome Industrial Sickness 850

Diagnostic Study in Revival of Sick Unit, Principles to Avoid Failure, Turnaround Management

Asset Classification of Banks 851

Standard Assets, Sub-standard Assets, Doubtful Assets, Loss Assets

Non-Performing Assets (NPAs) 852

NPA as per RBI Circular, Impact of NPAs on Bank Performance

Securitization and Reconstruction of Financial Assets 853

Provisions of SARFAESI Act, Securitization of Financial Assets, Enforcement of Security Interest, Asset Reconstruction Company(ARC), Security Receipts (SRs)

Corporate Debt Restructuring (CDR) 854

CDR Mechanism, Objective of CDR Framework, Features of CDR, Advantages and Disadvantages of CDR, CDR Process

Insolvency 856

Corporate Insolvency, Management of Corporate Insolvency, Cross Border Insolvency

Theoretical Review Questions 857**Practical Exercises 857****Chapter 41 Business Restructuring****Meaning and Reasons of Corporate Restructuring 860****Corporate Restructuring Process 861**

Hardware Restructuring, Software Restructuring

Broad Areas of Corporate Restructuring and Implications 862

Broad Areas of Corporate Restructuring, Corporate Restructuring as a Business Strategy, Implications of Corporate Restructuring, Risks of Corporate Restructuring

Business Process Re-engineering (BPR) 863**Financial Restructuring 863**

Reasons for Poor Capital Structure

Steps in Financial Restructuring 864**Financial Reconstruction 865****Stock Split and Theories of Stock Split 865**

Meaning of Stock Split, Theories on Stock Split, Reverse Stock Split

Bonus Shares (Scrip Dividends) 867

Meaning of Bonus Shares, Purposes of Bonus Issue, Advantages of Bonus Issue, Drawbacks of Bonus Issue

Shares Buyback 869

Meaning of Shares Buyback, Reasons for Shares Buyback, Financing Aspects of Shares Buyback, Methods of Shares Buyback, Shares Repurchase Price, Benefits and Drawbacks of Shares Buyback

Leveraged Buy-Out (LBO) 872

Meaning of LBO, LBO Process, Essentials for LBO, Effects of LBO, Limitations of LBO

Demerger 873

Meaning of Demerger, Strategic Reasons for Demerger, Disadvantages of Demerger

Joint Venture Company (JVC) 874**Other Restructuring Techniques 875**

Management Buy-Out (MBO), Management Buy-In (MBI), Strategic Alliances, Reverse Merger, Sell-off, Divestitures, Slump Sale, Equity Carveout, Franchising, Intellectual Property Rights, Holding Companies, Going Private, Liquidation

Theoretical Review Questions 877**Practical Exercises 878****Chapter 42 Business Integration****Need for Business Integration 881****Meaning of Certain Terms 882****Forms of Integration 883**

Horizontal Integration, Vertical Integration, Conglomerate Integration

Synergistic Effect of Integration 883

Meaning of Synergy, Types of Synergy - Operating Synergies, Financial Synergies

Motives of Business Integration 885

Strategic Motives, Financial Motives, Organizational Motives

Motives for Cross Border Integration 887

Merger Scheme 887

Points to be Considered in Merger, Steps in Merger Scheme, Contents of Merger Scheme

Methods of Payment in Business Integration 889

Cash, Loan Stock, Ordinary Shares, Convertible Loan Stock

Tax Planning through Merger 890

Tax Benefits of Merger, Other Tax Benefits, Taxation Aspects of Takeover

Causes of Merger Failures 891

Stages and Kinds of Takeover 898

Stages of Hostile Takeover, Kinds of Takeover - Friendly Takeovers, Hostile Takeovers, Bail out Takeovers

Defensive Measures in Hostile Takeover Bids 899

Preventive Measures - Shark Repellents, Poison Pills, Golden Parachutes, Crown Jewels Lockup; Active Measures - White Knight, White Squire Defence, Greenmail, Asset Restructuring, Standstill Agreement, Capital Structure Changes, Litigation, Pac-man Defence, Overgearing

Theoretical Review Questions 900

Practical Exercises 901

Chapter 43 Business Valuation

Introduction to Business Valuation 903

Need for Business Valuation, Meaning of Equity Value and Enterprise Value, Difficulties in Business Valuation, Impact of Capital Structure on Business Value

Intrinsic Value Method of Business Valuation 905

Valuation of Business Based on Relative Industry Averages 907

Dividend Yield Method, Earnings Yield Method, Return on Capital Employed Method, Price/Earning Method

Fair Value of Share 913

Business Valuation Based on Discounted Cash Flow 917

Discounted Dividend Method, Discounted Cash Flow Method, Discounted Internal Rate of Return Method, Discounted Economic Value Added Method

Theoretical Business Valuation Models 920

Dividend Growth Valuation Model, Walter's Valuation Model, Modigliani and Miller's Dividend Irrelevancy Model, Capital Asset Pricing Model

Business Valuation Based on Company's Fundamentals 923

Revenue or Sales Multiple, Operating Profit Multiple, Operating Free Cash Flow Multiple, Operating Multiple, Price/Earning Multiple, Price/Book Value Multiple

Theoretical Review Questions 925

Part Ten Foreign Exchange Risk Management and Derivatives

Chapter 44 Determination of Foreign Exchange Rate

International Financial System 928

Growing Importance of International Financial Management, Complexity in International Business, Global Financial System, Foreign Exchange Market in India, Features of Foreign Exchange Market, Functions of Foreign Exchange Market Participants, Reforms in Forex Market

Global Financial Markets 931

US Dollar Market, Japanese Yen Market, Australian Dollar Market, Sterling Market, Euro Currency Market, Asian Clearing Union

Convertibility of Capital Account and Rupee 933

Capital Account Convertibility, Full Convertibility of Rupee - Advantages of Full Convertibility, Hurdles for Full Convertibility

Financial System Stability 934

Financial Stability and Role of Monetary Authority, Global Financial Stability : A Collective Effort

Foreign Currency Translation Methods 935

Current and Non-current Method, Monetary and Non-monetary Method, Temporal Method, Closing Rate Method, Net Investment - Closing Rate Method

Factors Influencing Foreign Exchange Rates 936**Terminology of Foreign Exchange Rates 937**

Fixed and Floating Exchange Rates, Bid Price and Offer Price, Buying and Selling Rates, Nostro and Vostro Accounts, Spot Rate, Forward Rate, Impact of Interest Rates and Inflation Rates on Exchange Rates

Theorems on Foreign Exchange Rate Determination 943

Law of One Price, Interest Rate Parity Theorem, Purchasing Power Parity Theorem, Fisher Effect, International Fisher Effect, Integration of IRP and PPP Theorems

Theoretical Review Questions 951**Practical Exercises 952****Chapter 45 Foreign Exchange Risk Management****Foreign Exchange Risk Exposure 954****Currency Exposure to Risk 955**

Transaction Risk, Translation Risk, Economic Risk

Foreign Exchange Risk Management (FERM) 956

Meaning of FERM, Benefits of FERM, FERM Policy

Risk Management Strategies 957

Passive Risk Management Strategy, Active Risk Management Strategy

Hedging of Foreign Exchange Rate Risk 957

Meaning and Importance of Hedging Risk, Role of Hedging in FERM

Simple Hedging Techniques 958

Doing Nothing, Pre-emptive Price Variation, Risk Sharing, Maintaining a Foreign Currency Bank Account, Transfer Pricing, International Forfaiting, Money Market Operations, Money Market Hedge, Secured Exchangeable Bonds, Selling and Buying in One's Own Currency, Re-invoicing Centres, Matching Receipts and Payments, Currency Diversification, Smoothing, Leads and Lags, Netting, Cross Currency Roll-over, Arbitrage Operations, Covered Interest Arbitrage, Cross Currency Option (CCO)

Theoretical Review Questions 964**Practical Exercises 965****Chapter 46 Basics of Derivatives****Fundamentals of Derivatives 968**

History of Derivatives Trading, Meaning of Derivatives, Characteristics of Derivatives, Factors Driving the Growth of Derivatives, Economic Function of Derivatives Market, Derivative Products, Selection of Hedging Method

Importance of Derivatives 971

Types of Risks in Derivatives, Risk-Management Through Derivatives, Types of Margins in Derivative Market

Theoretical Review Questions 974**Chapter 47 Forwards and Futures****Forward Contract 975**

Meaning of Forward Contract, Features of Forward Contract, Problems in Forward Contracting

Futures Contract 976

Meaning of Futures Contract, Standardized Items in Futures, Important Features of Futures Contract, Types of Futures Contract, Uses of Futures Contracting, Participants in Futures Market, Mechanism in Futures Contracts

Types of Orders in Futures Market 978**Specifications of Futures Contracts 980****Forward and Futures Contracts : Distinction 980****Determination of Futures Price 981**

Futures Price, Basis, Contango and Backwardation

Payoff Positions and Strategies 982

Simple Payoff Positions in Futures, Closing out of Futures Contract, Simple Strategies in Futures Market

Theoretical Review Questions 984**Practical Exercises 984****Chapter 48 Call and Put Options, Valuation of Options****Option Contracts 987**

Definition and Meaning of Option Contracts, Features of Option Contracts, Prerequisites for Options Markets, Futures and Options Contracts : Distinction, Important Terms in Options Contract, Factors Affecting the Pricing of Options, Advantages and Disadvantages of Options Contracting

Call Option 990

Rights and Obligations in Call Option, Payoff Positions in Call Option - Buying a Call, Writing a Call; Expectations, Rewards and Risks in Call Option

Put Option 993

Rights and Obligations in Put Option, Payoff Positions in Put Options - Buying a Put, Writing a Put; Expectation, Reward and Risk in Put Option

Types of Options 995**Other Aspects of Options 996**

Calendar Spread, Calculation of Premium on Options, Intrinsic Value of an Option, In the Money, At the Money and Out of the Money Options, Time Value of Option, Types of Covered Call, Put-Call Ratio, Open Market, Liquidating Option Positions, Marking to Market, Put-Call Parity Theory, Open Interest, Stack Hedging or Strip Hedging

Valuation of Options 1000**Valuation of Call Option using Black-Scholes Model 1000**

Black-Scholes Option Pricing Model, Assumptions of Black-Scholes Model

Valuation of Put Option using Black-Scholes Model 1002**Valuation of Embedded Options 1004**

Valuation of Callable Bond, Techniques for Estimating Variability of Stock Price

Theoretical Review Questions 1005**Practical Exercises 1006****Chapter 49 Currency and Interest Rate Derivatives****Forward Exchange Contract 1009**

Meaning of Forward Exchange Contract, Fixed Forward and Option Forward, Closing Out Forward Contracts, Extension of Forward Contracts, Cost or Gain of Forward Cover, Benefits and Drawbacks of Forward Contract

Forward-To-Forward Contracts 1012**Range-Forward Contract 1012****Ratio Range Forward Contract 1013**

Cap, Floor, Collar and Fixed Rate Contract 1013**Currency Futures 1014**

Meaning of Currency Futures, Features of Currency Futures, Exchange Traded Currency Futures

Currency Options 1015

Meaning of Currency Options, Benefits to Buyer of Currency Option, Drawbacks of Currency Option, Standard & Poor's Currency Indices

Forward Rate Agreement (FRA) 1018**Interest Rate Guarantee (IRG) 1019****Interest Rate Caps 1019****Interest Rate Floors 1021****Interest Rate Collars 1022****Interest Rate Ceiling 1023****Interest Rate Futures 1024****Interest Rate Options 1024****Theoretical Review Questions 1025 Practical Exercises 1025****Chapter 50 Commodity and Stock Derivatives****History of Commodity Derivatives Market 1028****Commodity Futures 1029**

Meaning of Commodity Futures, Pricing of Commodity Futures, Objectives of Commodity Futures Contract - Hedging, Speculation, Price Discovery

Commodities Exchanges 1032

Need for Regulation of Commodity Derivatives Market, Reasons for Popularity of Commodity Trading, Participants of Commodity Market

Operational Procedure of Commodity Exchanges 1035

Trading, Clearing, Settlement

Pay-out Mechanism at Commodity Exchanges 1036**Stock Index Futures 1037**

Stock Index Futures World Over, Features of Stock Index Futures, Trading in Stock Index Futures, Pricing of Stock Index Futures Contract, NSE's Volatility Index: India VIX, Speculation in Stock Index Futures Trading, Hedging with Stock Index Futures, Reasons for Popularity of Stock Index Futures, Criteria for Stock Market Derivatives Trading, Stock Index Derivatives Market in India - Index based and Individual Securities based Futures and Options: Comparison

Theoretical Review Questions 1046 Practical Exercises 1046**Chapter 51 Swaps and Other Derivatives****Categories of Swaps 1051**

Currency Swaps, Interest Rate Swaps, Principal-Only-Swaps, Carry Trade Swap

Types of Currency and Interest Rate Swaps 1051**Currency Swaps 1052**

Meaning of Currency Swap, Steps in Currency Swap, Types of Currency Swaps, Benefits of Currency Swaps

Interest Rate Swaps 1054

Meaning of Interest Rate Swap, Features of Interest Rate Swaps, Kinds of Interest Rate Swaps

Credit Default Swap (CDS) 1056

Total Return Swap 1057

Commodity Swaps 1057

Credit Derivatives 1058

Credit Spread Option 1058

Collateralized Debt Obligations 1058

Credit Linked Notes 1059

Weather Derivatives 1060

Over the Counter Derivatives 1060

Features of OTC Derivatives, OTC and Exchange Traded Derivatives : Distinction

Theoretical Review Questions 1061 **Practical Exercises** 1062

Mathematical Tables 1065
