

Preface to Eighth Edition

The eighth edition of the book has been thoroughly revised and enlarged, taken into account all the latest developments in the subject. The book is a comprehensive work on the subject, which meets the requirements of all levels of professional and academic courses. The book is very much useful for students who are preparing for MBA, M.Com., CA, CMA, CS courses.

The entire subject is presented in two divisions. The first division of the book consists of subject on ‘Principles of Corporate Finance’, which includes four parts in 18 chapters. The second division covers the subject on ‘Advanced Financial Management’ which is presented in six parts and 33 chapters. At the end of each chapter number of practical exercises are given for self study.

A CD is attached with the book which consists of information on:

- 1 Power Point Presentation**
- 2 Case Studies**
- 3 Industry Analysis of 24 Market Leaders in India**
- 4 Students’/Teachers’ Manual**

I am thankful to the faculty and students who have suggested modifications. I am also thankful to the publishers and their staff in bringing this revised and enlarged edition to you.

I thank you one and all.
