

# Preface to Seventh Edition

It gives me immense pleasure in presenting the Seventh edition of the book “Economic and Commercial Laws” for CS Executive course.

Entire syllabus is divided in **25 chapters** and explained in lucid manner without compromising technicality. Each chapter has following three segments:

- ◆ Basic theory
- ◆ Solved past examination questions
- ◆ Practice questions with hint

The book has following unique features:

- ◆ Tabular presentation of subject matter
- ◆ Use of simple language for easy understanding
- ◆ Inclusion of past examination questions at the end of every chapter
- ◆ Alignment of chapters as per study module of ICSI
- ◆ Logical arrangement of topics and sub-topics for each chapter
- ◆ 100 landmark judgments
- ◆ Solved Paper of June 2018 examination

This book is updated as per syllabus of the Institute of Company Secretary of India applicable to December 2018 and onward examination. All amendments and changes upto 6 months before date of examination are covered.

I am thankful to my past and present students, colleagues, friends and family members for their valuable suggestions while writing the book. My immense thanks are due to CS. Jigisha Thakkar, CS. Hitesh Buch, Rachit Rathod and Mehul Mehta whose continuous support

encourages me to accomplish my work. I am also thankful to TAXMANN and their team members for their efforts in publishing the seventh edition of the book.

I look forward to have the views, comments, suggestions, and criticisms from readers, which would definitely help in further improvement of book.
