

Preface

The New Edition of Accounting for C.A. Intermediate Group I, has been updated as per the new syllabus prescribed by ICAI w.e.f. July 2017 & as per the recent amendments in the provisions of the Companies Act, 2013.

- ◆ *For the purpose of ease in study, the book is divided into 3 segments:*
 1. *Non-Corporate Accounting*
 2. *Corporate Accounting*
 3. *Accounting Standards*
- ◆ *The book includes complete theory in respect of all the topics, in lucid & simple style & covers over 350 illustrations.*
- ◆ *The book also provides problems of previous examinations along with their solution which includes comments, explanations, assumptions, working notes & alternatives wherever deemed relevant.*
- ◆ *Topics & questions have been sequenced in the order in which it will be convenient & expedient for study by the students.*
- ◆ *The book also incorporates question paper of November 2018 CA Intermediate examinations.*

The authors are grateful for the initiative & the endeavours put in by the management team of Taxmann for printing & publishing the First Edition of the book.

The authors welcome any suggestions & constructive feedback for the improvement of the book.
