PREFACE TO FIFTH EDITION

I am thankful to the students, teachers and institutions response to earlier editions. It is pride and pleasure that I place the Fifth Edition of "Question Bank with Model Test Papers" for CS Foundation Course.

The main features of Fifth Edition are as follows:

◆ The book is designed exclusively as per the MCQ pattern of examination prescribed by ICSI.

◆ More than 6,000 MCQs has been prepared **Chapter Wise** and **Topic Wise** along with answers for Practical MCQs.

◆ The book is a comprehensive work, with lucid and systematic presentation for Theory and Practical MCQs.

◆ Model Test Papers are given for the practice of the students so that they can gain confidence for ICSI exam.

◆ Updated as per the Companies Act, 2013 and other relevant applicable laws.

I am thankful to Prof. Vinayak Karvekar and Prof. Amit Pawar for their valuable help in revising this edition.

I shall be grateful for any of your suggestion to improve the book further. I am also thankful to Taxmann Publications and their staff for their co-operation in presenting the book to students all over India.

I thank you, one and all.
