CHAPTER 1

BASIC OF RATING

1.1	Explain the concept of Credit Ratings	3
1.2	Explain in brief the history of credit ratings	3
1.3	Discuss about the credit rating scales	4
1.4	List down the factors which affect the credit ratings of a company	5
1.5	Discuss the importance of credit ratings and risk associated with them	6
1.6	Describe the different types of credit ratings	7
1.7	Discuss internal and external credit ratings	9
1.8	Discuss the process of credit rating	10
1.9	Discuss the role of credit rating agencies in credit risk analysis	12
1.10	Discuss in brief about the Credit Information Companies	12
	Summary	14
	Attempt the following Questions based on the learning	18

CHAPTER 2

CREDIT RISK MANAGEMENT

2.1	Discuss the risks associated to debt securities	27
2.2	Discuss credit risk and its components	27
2.3	Discuss the concept of credit risk management	30

	<i>Page</i>
2.4 Describe the approaches to Credit Risk Measurement	31
2.5 Discuss the principles of credit risk management in banks	32
Summary	35
Attempt the following Questions based on the learning	37

CHAPTER 3

BASICS OF CREDIT ANALYSIS

3.1 Describe the components of Credit Analysis Model	43
3.2 Discuss the first C - Character	43
3.3 Discuss the second C - Capacity	45
3.4 Discuss the third C - Capital	45
3.5 Discuss the fourth C - Collateral	47
3.6 Discuss the fifth C - Condition	48
3.7 Discuss the other C's of credit	48
Summary	48
Attempt the following Questions based on the learning	51

CHAPTER 4

ANALYTICAL FRAMEWORK FOR CREDIT ANALYSIS

4.1 Define credit analysis and state its objectives	55
4.2 Explain credit scoring	55
4.3 Understanding Business model	57
4.4 Evaluate Business model	57
4.5 Describe the fundamentals of credit risk assessment	59
4.6 Evaluate the quality of credit risk management	59
4.7 Assess credit analysis of corporate entities	60
Summary	64
Attempt the following Questions based on the learning	67

CHAPTER 5

INDUSTRY RISK

5.1	Discuss in brief the concept of Industry Analysis and Industry Risk	73
5.2	Discuss the relevance of Industry Analysis	73
5.3	State the tools for Industry risk valuation	74
5.4	Explain the parameters of Industry Risk Valuation	77
5.5	List down the various steps of doing an Industry Analysis	80
5.6	Discuss in brief the concept of Cyclicity <i>vis-a-vis</i> seasonality and introduction to the concept of rating through the cycle	81
	Summary	84
	Attempt the following Questions based on the learning	87

CHAPTER 6

BUSINESS RISK OR OPERATIONAL RISK

6.1	Discuss business risk and operational risk	95
6.2	Discuss types of business risk	96
6.3	Discuss measurement techniques of business risk	99
6.4	Discuss operational risk as per Basel II	101
	Summary	104
	Attempt the following Questions based on the learning	106

CHAPTER 7

FINANCIAL RISK

7.1	Explain the concept of financial risk	113
7.2	Discuss about the classification of financial risk	113
7.3	Logical Flow for Financial Risk Analysis	114

	<i>Page</i>
7.4 Common Behavioural Biases for Analysts	126
7.5 Steps to mitigate risk	127
Summary	127
Attempt the following Questions based on the learning	133

CHAPTER 8

DEALING WITH INTRICACIES OF CREDIT RATING

8.1 Discuss the role of credit rating in business development	139
8.2 Discuss limitations of credit ratings	140
8.3 Explain the role of consolidated financial statement in credit analysis	142
8.4 Discuss the adjustments required in financial statements for credit risk assessment	145
8.5 Explain the concept of debt equity continuum	151
8.6 Discuss alternative to credit ratings	152
Summary	153
Attempt the following Questions based on the learning	156

CHAPTER 9

MANAGEMENT RISK

9.1 Discuss the meaning and importance of management risk	163
9.2 Discuss how management risk can be evaluated	164
9.3 Discuss a case study wherein lack of corporate governance lead to downfall of the organization	167
Summary	169
Attempt the following Questions based on the learning	170

CHAPTER 10

PROJECT RISK

10.1	Explain the meaning of project risk and various types of projects	<i>175</i>
10.2	State the different Steps involved in Evaluating Project Risk	<i>176</i>
10.3	Discuss the first step of Evaluation of a Project including various Project feasibility and evaluation techniques	<i>177</i>
10.4	Discuss term loan appraisal and the various types of appraisal to be assessed in a project	<i>179</i>
10.5	Discuss the second step of determining key risks through an understanding of Implementation risk, Post-implementation risk and their reasons and impact	<i>182</i>
10.6	Understanding various evaluation techniques like NPV, IRR and PBP through an illustration	<i>189</i>
Summary		<i>191</i>
Attempt the following Questions based on the learning		<i>194</i>

CHAPTER 11

RATING METHODOLOGY OF COMPANIES

11.1	Discuss rating methodology for companies	<i>201</i>
11.2	Discuss business risk analysis for rating purposes	<i>202</i>
11.3	Discuss the importance of financial risk analysis for rating	<i>204</i>
11.4	Calculate liquidity ratios and analyze effects of these ratios on companies	<i>206</i>
11.5	Discuss how Management Evaluation is helpful in rating	<i>209</i>
11.6	Discuss Project Risk Evaluation	<i>211</i>
11.7	Show the financial statement of a typical manufacturing company	<i>212</i>
11.8	Show the financial statements of a typical service based company	<i>215</i>
Summary		<i>217</i>
Attempt the following Questions based on the learning		<i>220</i>

CHAPTER 12

RATINGS FOR FINANCIAL INSTITUTIONS AND BANKS

12.1	Discuss the importance of rating in financial institution and bank	225
12.2	Discuss the macroeconomic affecting bank ratings	225
12.3	Discuss the intrinsic factors affecting ratings	229
12.4	Discuss how risk management impacts ratings	238
12.5	Explain CAMELS rating system	241
	Summary	241
	Attempt the following Questions based on the learning	244

CHAPTER 13

SOVEREIGN RATING

13.1	Explain the concept of Sovereign Credit Ratings and its importance	249
13.2	State the various determinants used in evaluation of sovereign ratings	249
13.3	Describe the rating approaches and methodology used in the sovereign rating process	251
13.4	Discuss the support received by sovereigns which needs to be factored in	264
13.5	Explain the meaning of transfer and convertibility risk and the considerations for T&C analysis	265
13.6	Discuss the concept of rating gaps and the reasons for the same	267
13.7	Briefly discuss on a comparative basis the ratings of major sovereigns by the main rating agencies and the recent rating downgrade of China	268
	Summary	270
	Attempt the following Questions based on the learning	273

CHAPTER 14

CASE STUDY: AMAZON

14.1	Introduction to the company	283
14.2	Major Milestones	283
14.3	Promoter's Profile	284
14.4	Diversified Product Portfolio	285
14.5	Amazon: An umbrella of large companies	285
14.6	Market Share of Amazon	287
14.7	Peer Comparison	288
14.8	Amazon Marketing Techniques	289
14.9	Employment in Amazon	292
14.10	Financials of Amazon	293
14.11	Credit Analysis of Amazon	294
	Summary	295
	Attempt the following Questions based on the learning	299

CHAPTER 15

UNDERSTANDING YIELD CURVES

15.1	Explain the concept of interest rates	303
15.2	Describe relationship between spot rates, forward rates, yield to maturity, expected & realized return on bonds	304
15.3	Describe the shape of the yield curve	307
15.4	Discuss the shift in term structure	309
15.5	Explain the traditional theories of term structure of interest rate	312
15.6	Describe modern term structure models	313
	Summary	314
	Attempt the following Questions based on the learning	317

CHAPTER 16**TRADING ON INTEREST RATE RISKS**

16.1	Discuss the types of investment in fixed income securities	325
16.2	Explain passive investing in fixed income	326
16.3	Explain active investing in fixed income	329
16.4	Discuss investing strategy when there is no change in yield curve	330
16.5	Discuss investing strategy when there is parallel shift in yield curve	332
16.6	Discuss investing strategy when there is non-parallel shift in yield curve	333
16.7	Discuss investing strategy on the basis of volatility	336
16.8	Explain basis trading	339
16.9	Discuss trading on interest rate using options	341
16.10	Discuss trading on interest rate using swaps	342
	Summary	343
	Attempt the following Questions based on the learning	347

CHAPTER 17**UNDERSTANDING CREDIT SPREADS**

17.1	Discuss in brief the concept of credit risk	353
17.2	Explain the nature and components of credit spread	354
17.3	Explain the determinants of the term structure of credit spreads	355
17.4	Discuss the different credit spread measures	356
17.5	Discuss credit default swap and its features	364
17.6	Describe credit indices	365
	Summary	378
	Attempt the following Questions based on the learning	380

CHAPTER 18

TRADING ON CREDIT SPREAD

18.1	Discuss the concept of credit basis	385
18.2	Discuss the drivers of credit basis	388
18.3	Describe basis trading	391
	Summary	393
	Attempt the following Questions based on the learning	395

CHAPTER 19

OTHER CONCEPTS ON CREDIT RISK

19.1	Discuss jump to default	401
19.2	Discuss spread PV01	402
19.3	Explain single name CDS and Basket Default Swaps	403
19.4	Discuss the concept of first to default	404
19.5	Discuss default correlation	405
19.6	Explain delta hedging	406
	Summary	407
	Attempt the following Questions based on the learning	409

CHAPTER 20

PREDICTING THE MARKET

20.1	Discuss economic indicators	415
20.2	Discuss the role of GDP in assessing a country's economic health	415
20.3	Explain the role of stock market performance as an economic activity indicator	416
20.4	Explain credit spread and how changing economic conditions affect credit spread	418

	<i>Page</i>
20.5 Discuss implications of a weak economy on defaults	423
20.6 Discuss M&A as an indicator of economic conditions	424
20.7 Discuss other leading indicators of an economy	425
Summary	426
Attempt the following Questions based on the learning	429

CHAPTER 21

INTRODUCTION TO DISTRESSED DEBT

21.1 Defining Distressed Debt	435
21.2 Discuss residual values and distressed debt	436
21.3 Explain the concept of residual values and spreads	437
21.4 Explain the concept of probability and expected values	438
21.5 Discuss investing in distressed debt	439
21.6 Discuss equity in distressed firms	440
21.7 Discuss a case study on distressed debt	442
Summary	443
Attempt the following Questions based on the learning	445

CHAPTER 22

UNDERSTANDING SYSTEMATIC RISK

22.1 Explain the concept of systematic risk and contagion	451
22.2 Contrast systematic and unsystematic risk	453
22.3 Discuss the concept of beta	454
22.4 Discuss the implications of systematic events for trading and held to maturity portfolios	457
22.5 Discuss funding issues resulting from systematic events	457
Summary	458
Attempt the following Questions based on the learning	460

CHAPTER 23

CREDIT ENHANCEMENT AND STRUCTURE

23.1	Explain the concept of credit enhancement	467
23.2	Discuss the types of credit enhancement	468
23.3	Describe explicit credit enhancement	469
23.4	Describe implicit credit enhancement	478
23.5	Discuss other forms of structuring	479
	Summary	482
	Attempt the following Questions based on the learning	484

CHAPTER 24

RATING OF ASSET BACKED AND MORTGAGE BACKED SECURITIZATION TRANSACTIONS

24.1	Explain the concept of securitization	491
24.2	Explain the structure of securitization	491
24.3	Discuss forms of credit enhancement	493
24.4	Determine the adequacy level of credit enhancement	493
24.5	Discuss the motives behind securitization	494
24.6	Discuss risk analysis and credit rating of securitization transactions	496
24.7	Discuss the decline in demand for new-issue securitized finance products market post 2007 financial crisis	500
	Summary	502
	Attempt the following Questions based on the learning	504

CHAPTER 25

CREDIT RISK MODELS

25.1	Discuss the concept of credit risk	511
25.2	Explain the meaning of credit risk models	512
25.3	Explain structural model of credit risk	512

	<i>Page</i>
25.4 Explain reduced form model of credit risk	514
25.5 Discuss the strengths and weakness of structural and reduced form models	516
25.6 Discuss validation of models	516
25.7 Explain the conflict of interest in issuer pay credit rating	518
25.8 Explain Gini coefficient	519
Summary	522
Attempt the following Questions based on the learning	525

CHAPTER 26

CRA REGULATIONS AND DEBT GUIDELINES

26.1 Explain Credit Rating and Credit Rating Agencies	531
26.2 Define Credit Rating Scale and Rating Types	532
26.3 Explain the factors that affect the credit ratings/credit scores	533
26.4 Discuss the general obligations of Credit Rating Agencies	534
26.5 Discuss the Debt Market	537
26.6 Discuss the features of Corporate Bonds and its risks	537
26.7 Discuss the features of government bonds and its risks	540
26.8 Discuss the features of Municipal bonds and its risks	541
26.9 Discuss the features of Mortgage Backed Securities	542
Summary	542
Attempt the following Questions based on the learning	546

CHAPTER 27

UNDERSTANDING TYPES OF CORPORATE BANKING FACILITIES

27.1 Describe corporate banking	553
27.2 Discuss the need of corporates for corporate banking	554
27.3 Discuss the fund based facilities	556

	<i>Page</i>
27.4 Discuss fund based export credit	561
27.5 Discuss fund based import credit	564
27.6 Discuss non-fund based working capital facilities	565
27.7 Discuss other forms of non-fund based facility	568
Summary	574
Attempt the following Questions based on the learning	578

CHAPTER 28

ASSESSMENT OF WORKING CAPITAL FINANCE

28.1 Introduction to Working Capital Finance	587
28.2 Explain the concept of Working Capital Finance	587
28.3 Assessment of Working Capital Finance	588
28.4 Discuss the types of Working Capital Finance	590
Summary	595
Attempt the following Questions based on the learning	598

CHAPTER 29

CREDIT ANALYSIS IN MULTI-ASSET CLASS PORTFOLIO

29.1 Describe Multi-Asset Class and Asset Allocation	605
29.2 Explain the impact of risk tolerance and time horizon on portfolio asset allocation	606
29.3 Explain Strategic and Tactical Asset Allocation	606
29.4 State the benefits of Multi-Asset investing	609
29.5 Discuss the risks in Multi-asset class portfolio	610
29.6 With the help of an example explain the use of multi-asset portfolio and asset allocation to meet investors requirements and deal with their constraints	610
Summary	611
Attempt the following Questions based on the learning	614

CHAPTER 30**TRADING IN EMERGING MARKETS**

30.1	Define Emerging Markets	621
30.2	Explain the Characteristics of Emerging Markets	622
30.3	Describe the risk involved in investing in Emerging Markets	623
30.4	Explain the return characteristics of emerging markets	626
30.5	Describe Emerging Markets Indices	627
30.6	Mention the factors considered in investing in Emerging Markets	628
30.7	Describe the market opportunities in emerging markets	629
	Summary	630
	Attempt the following Questions based on the learning	634

CHAPTER 31**CREDIT MONITORING**

31.1	What is credit monitoring and its goals?	639
31.2	Pre-Operational Stage of Monitoring	640
31.3	Financial Analysis at Pre-Operational Stage	642
31.4	Post-Operational Stage of Credit Monitoring	643
	Summary	646
	Attempt the following Questions based on the learning	648

CHAPTER 32**STRESSED ASSET MANAGEMENT**

32.1	Discuss warning signs of corporate default	653
32.2	Multiple Defaults	655
32.3	Discuss the process and monitoring of default recovery	657
32.4	Corporate Debt Restructuring Mechanism	659

	<i>Page</i>
32.5 Discuss valuation of NPA's and Asset backed/Mortgage backed securities	660
32.6 A case on corporate default and the factors leading to it	663
Summary	664
Attempt the following Questions based on the learning	667

CHAPTER 33

ANALYSIS OF TREASURY AND CORPORATE PAPERS

33.1 Discuss the concept of Treasury Management	673
33.2 Discuss the Role of a Treasurer	675
33.3 Discuss Cash Management	675
33.4 Discuss the Risks involved in Treasury Management	675
33.5 Discuss the concept of Corporate Papers	677
33.6 Discuss the advantages and disadvantages of Corporate Papers	678
33.7 Examples of Corporate Papers	678
Summary	679
Attempt the following Questions based on the learning	683

CHAPTER 34

NUANCES OF CREDIT ANALYSIS

34.1 Explain credit analysis	689
34.2 Discuss credit analysis from NBFC perspective	690
34.3 Discuss credit analysis from private banking perspective	690
34.4 Discuss credit analysis from ARC perspective	694
Summary	696
Attempt the following Questions based on the learning	698

CHAPTER 35**CREDIT MANAGEMENT**

35.1	Discuss the principles of lending	705
35.2	Discuss credit policy	707
35.3	Discuss the different types of borrowers	710
35.4	Discuss in brief the types of credit facilities	713
35.5	Explain the concept of credit appraisal	716
	Summary	720
	Attempt the following Questions based on the learning	723
