

Preface

Hare Krishna

It gives us the immense pleasure to present the ILLUSTRATED GUIDE TO SABKA VISHWAS (LEGACY DISPUTE RESOLUTION) SCHEME, 2019.

When on 5th July, 2019 Hon'ble Finance Minister Nirmala Sitharaman announced this Scheme to unpack legacy dispute of Rs. 3,85,000 crore, we as a team of ALA Legal were more than sure that all professionals, Govt. officers and industry shall definitely need a book which is practically based with lots of illustrations and case studies.

The book has been written and designed in such a way that even a person with little or no knowledge of Pre-GST indirect tax enactment can easily understand it.

The book has been presented in a lucid manner containing numerous mathematical illustrations, live case studies, slides to understand and chart to recapitulate.

We convey our heartfelt gratitude to Advocate Pawan Arora and the entire team of ALA Legal for their continuous support and help.

We also thank TAXMANN and his team for publishing this book in record time.

We urge every professionals and industry to educate themselves and others about this Scheme and derive the maximum benefit out of it.
