

Preface to Fourteenth Edition

Firstly, I would like to thank the readers for the response given to earlier editions. It gives me immense pleasure in presenting the Fourteenth edition of the book "Advanced Auditing & Professional Ethics".

The entire syllabus has been divided into Six Modules as below:

Module I Auditing Concepts and Engagement Standards

Module II Professional Ethics

Module III Company Audit

Module IV Different Types of Audit

Module V Audit of Different Entities

Module VI Accounting Standards, Ind AS & Schedule III

I hope that the readers will find the content of the book user friendly and helpful in preparation of their examinations.

I thank all my readers for sharing their views regarding the book and giving me valuable suggestions for improvement.

I also thank Taxmann Publications (P.) Ltd. for their efforts in publishing the Fourteenth edition of the book.

I look forward the views and suggestions from the readers which would help towards further improvement of the book.

Wishing every success to the readers.
