

Preface to Third Edition

I am greatly pleased to place the third edition of the book "Taxmann's Advanced Management Accounting (Operations Research)" in the hands of its esteemed readers. This edition continues to provide thoroughly updated comprehensive course material on the subject in a 'Self-Study Format' to the students preparing for Final Level Professional examinations. Based on the vast classroom teaching experience of the author, the book explains the concepts in a simple way and aims at strengthening the skills through numerous practical problems. It provides a complete treatment of the various aspects of Advanced Management Accounting (Operations Research) through the classroom tested material.

I am grateful to the esteemed teachers and the students of the subject for encouraging me through their positive response to the book. I am thankful to the readers for their suggestions to improve the contents of the book. I am particularly grateful to CA. Neeraj Maheshwari (Bhopal), CA. Sachin Ajmera (Jaipur), CA. Rajan Parikh (Ahmedabad), CA. Rudhir Khatreja (Sonapat), Chandrakant Ambani (Mumbai), Rakesh Jadhav (Indore) and Pritiesh Rathi (Hyderabad).

I thank my family members, relatives and friends for unflagging support while I was working on this edition.

I thank Shri Deepak Singh of DK Print World for drawing the excellent diagrams for the book. I also thank the Management and Staff of Taxmann Publications for their sincere work and support.

Suggestions and comments for improvement are always welcome.
