MARGINAL COSTING	
Absorption Costing	243
Growing importance of overheads	
Criteria for absorption of overheads	
Advantages and Limitations of Absorption Costing	
Behavioural Considerations in Absorption Costing	
Direct Costing	245
Direct Costing and Absorption Costing : Distinction	
Marginal Costing	246
Contribution and Profit : Distinction	
Features of Marginal Costing	
Arguments in favour of Marginal Costing	
Criticism Against Marginal Costing	
Absorption Costing and Marginal Costing : Distinction	250

Absorption Costing and Marginal Costing: Impact on Profit	251
Inflation and Holding of Large Inventories	
Contribution Approach	255
Relationships under Contribution Concept	
Key or Limiting Factor Analysis	256
Profit planning	257
Selection of Profitable Product Mix	258
Make or Buy Decisions	258

BREAK-EVEN AND COST-VOLUME-PROFIT ANALYSIS

Break-even Analysis	293
Construction of Break-even Chart	
Formulas used in Break-even Analysis	
Assumptions and Limitations	
Cash Break-even	
Profit-Volume Ratio	296
How to Improve P.V. Ratio?	
Limitations of using P.V. Ratio	
Margin of Safety	297
How to Improve Margin of Safety ?	
Impact of Selling Price, Fixed Cost and Variable Cost on BEP, PV ratio and MOS	
Angle of Incidence	299
Relationship of BEP, Margin of Safety and Angle of Incidence	
Cost-Volume-Profit Analysis	300
Procedure in CVP Analysis	
Benefits of CVP Analysis	
Assumptions in CVP Analysis	
Practical Difficulties in CVP Analysis	
Profit-Volume Chart	303

STANDARD COSTING AND VARIANCE ANALYSIS

Standard Costing : Definition and Meaning 385

Objectives of Standard Costing 386

Terminology on Standards 386

Types of Standards 387

Setting Standards 388

General Principles of Standard Costing 388

Standard Costing System During Inflation 389

Standard Costing and Activity Based Costing 389

Standard Costing and AMT 390

Standard Cost Card 390

Responsibility for Setting Standards 391

- Setting up Production Standards and Establishment of Standard Costs

Advantages, Criticism and Problems in Standard Costing 392

- Advantages of Standard Costing
- Criticism on Standard Costing
- Problems in Setting Standard Costs
- Behavioural Consideration in Standard Costing

Standard Cost and Estimated Cost : Distinction 393

Standard Costing and Budgetary Control : Distinction 394

Variance Analysis : Definition and Meaning 395**Material Variances 396**

- Material Price Standards
- Material Quantity Standards
- Material Cost Variance
- Material Price Variance
- Material Usage Variance
- Material Mix Variance
- Material Yield Variance

Labour Variances 399

- Labour Rate Standard and Grades of Labour
- Labour Efficiency Standard
- Labour Cost Variance
- Labour Rate Variance
- Labour Efficiency Variance
- Labour Mix Variance
- Labour Yield Variance
- Idle Time Variance
- Net Efficiency Variance
- Journal Entries in Single Plan

Variable Production Overhead Variances 403

- Variable Production Overhead Cost Variance
- Variable Production Overhead Expenditure Variance
- Variable Production Overhead Efficiency Variance

Fixed Production Overhead Variances 404

- Fixed Production Overhead Cost Variance
- Fixed Production Overhead Expenditure Variance
- Fixed Production Overhead Volume Variance
- Fixed Production Overhead Efficiency Variance
- Fixed Production Overhead Capacity Variance
- Revised Fixed Production Overhead Capacity Variance
- Fixed Production Overhead Calendar Variance
- Interdependence of Overhead Variances

Sales Variances 407

- Sales Variances Based on Profit
- Total Sales Margin Variance
- Sales Price Variance
- Sales Volume Variance
- Sales Mix Variance
- Sales Quantity Variance
- Sales Variances Based on Turnover
- Sales Value Variance
- Sales Price Variance
- Sales Volume Variance
- Sales Mix Variance
- Sales Quantity Variance

Profit Variances 414

- Profit Value Variance
- Profit Price Variance
- Profit Volume Variance
- Profit Mix Variance
- Profit Quantity Variance

Disposal of Variances 418**Revision of Standards 419****Revision Variance 419****Planning and Operational Variances 420**

- Benefits and Problems of Planning and Operational Variances

Interpretation of Variances 422

- Causes of Variance
- Reasons for Cost Variances
- Interdependence between Variances

Techniques of Investigation of Variances 424

- Heuristics
- Trend Analysis
- Statistical Control Charts
- Decision Tree Approach
- Decision Theory Approach (Game Theory)

Cost Control and Cost Reduction 556

- Types of Cost Accounting Systems
- Meaning of Cost Control and Cost Reduction
- Significance of Cost Reduction
- Techniques for Cost Reduction

Areas of Cost Reduction 558

- Cost Control and Cost Reduction : Distinction
- Cost Control Process
- Cost Reduction Process
- Precautions in Implementation of Cost Reduction Program
- Kinds of Cost Reduction Programs

Value Engineering and Value Analysis 564

- Value of an Industrial Product
- Value Engineering : Definition and Meaning
- Steps in Value Engineering Program
- Phases of Value Engineering Job Plan
- Advantages of Value Engineering Program
- Impact of Value Engineering on Profit
- Value Analysis : Meaning
- Value Engineering and Value Analysis : Distinction
- Benefits of Value Analysis
- Scope for Cost Reduction at Product Design Stage
- Value Analysis and Cost Reduction

Operations Research in Cost Reduction 569

Business Process Re-Engineering (BPR) 570

- Steps in BPR
- Process Prototype
- Process Types
- BPR Methodology
- Pitfalls in BPR
- Role of Information Technology in BPR

Total Quality Management (TQM)	597
TQM : Definitions and Meaning	
Basic Principles of TQM	
Six Cs of TQM	
Key Features of TQM	

Core Concepts of TQM	
Steps in Implementation of TQM	
Critical Success Factors of TQM	
Benefits of TQM	
Zero Defects and Right First Time	602
Four Ps of Quality Improvement	603
Kaizen	603
Procedure for Implementation of Kaizen	
Evaluation	
Benefits of Kaizen System	
Reasons for Failure of Kaizen	
Kaizen Costing	
Standard Costing and Kaizen Costing : Distinction	
World Class Manufacturing	607
Concept of 5S	608
Critical aspects of 5S Success	
Benefits of 5S	
Six Sigma	609
Characteristics of Six Sigma	
Six Sigma Assets	
How to Calculate Six Sigma ?	
Implementation of Six Sigma	
Methodologies of Six Sigma	
DMAIC
