

# PREFACE TO SECOND EDITION

*After receiving overwhelming response of our first edition.*

*We are extremely delighted to present revised second edition of the book to our readers, a book that has been customized for Class XII students, to lay a strong conceptual foundation and assist them in preparing for a targeted and successful Board Examination attempt. The book has been designed in strict accordance with the latest syllabus prescribed by CBSE. The whole syllabus has been divided into two volumes. Volume 1 consists of Chapters 1-6 and Volume 2 consists of Chapters 7-13. Some of its key features include:*

- ◆ *Introduction of every topic, tracing its origin to its relevance in the real world problems today.*
- ◆ *Adequate theory and solved examples in each topic.*
- ◆ *‘Exercise for the reader’ boxes and ‘Food for thought’ boxes in the running text at appropriate places for a better grasp of the concepts.*
- ◆ *Highlighted (🔍) problems that involve application oriented approach.*
- ◆ *Practice exercises with final answers in each chapter.*
- ◆ *‘Evaluate yourself’ section at the end of each chapter, designed on the basis of previous Board Examination Papers for giving the exam flavour to the readers and build confidence.*
- ◆ *Miscellaneous exercise at the end of each chapter for optimizing the preface and deeper concept clarity.*
- ◆ *Two appendices, one at the end of each volume, for a deeper insight into the topics discussed.*

*Though honest efforts have been made to ensure an error-free publication, should you cite any discrepancy, you are welcome to contact us at:*
