

Tax Treatment of Gold Monetization Scheme, 2015

Under the existing provisions of section 10, interest on Gold Deposit Bonds issued under Gold Deposit Scheme, 1999 is exempt. Further, these bonds are excluded from the definition of capital asset and therefore exempt from tax on capital gains.

The Gold Monetization Scheme, 2015 has since been introduced by the Government of India. With a view to extend the same tax benefits to the scheme as were available to the Gold Deposit Scheme, 1999 it is proposed to amend Clause (14) of section 2, so as to exclude Deposit Certificates issued under Gold Monetisation Scheme, 2015 notified by the Central Government, from the definition of capital asset and thereby to exempt it from capital gains tax.

It is also proposed to amend clause (15) of section 10 so as to provide that the interest on Deposit Certificates issued under the Scheme, shall be exempt from income-tax.

These amendments are proposed to be made effective retrospectively from the 1st day of April, 2016 and shall accordingly apply in relation to assessment year 2016-17 and subsequent years.

[Clause 3 & 7]

Providing legal framework for automation of various processes and paperless assessment

It is proposed to amend the relevant provisions of the Act so as to provide adequate legal framework for paperless assessment in order to enhance efficiency and reduce the burden of compliance. A series of changes are proposed to achieve this end.

Sub-section (1) of section 282A provides that where a notice or other document is required to be issued by any income-tax authority under the Act, such notice or document should be signed by that authority in manuscript.

It is proposed to amend sub-section (1) of section 282A so as to provide that notices and documents required to be issued by income-tax authority under the Act shall be issued by such authority either in paper form or in electronic form in accordance with such procedure as may be prescribed.

Sub-section (2) of section 143 provides that, if the Assessing Officer considers it necessary and expedient to ensure that the assessee has not understated the income or has not computed excessive loss or has not under-paid the tax in any manner, he shall serve on the assessee a notice requiring him to produce, or cause to be produced on a specified date, any evidence on which the assessee may rely in support of the return.

In order to ensure timely service of notice issued under sub-section (2) of section 143, it is proposed to amend sub-section (2) of section 143 to provide that notice under the said sub-section may be served on the assessee by the Assessing Officer or the prescribed income-tax authority, either to attend the office of the Assessing Officer or to produce, or cause to be produced before the Assessing Officer any evidence on which the assessee may rely in support of the return.

It is also proposed to amend the existing provision of section 2 by inserting new clause (23C) to define the term "hearing" to include communication of data and documents through electronic mode.

These amendments will take effect from the 1st day of June, 2016.

[Clause 3, 66 & 109]

H. Rationalisation Measures

Rationalization of tax deduction at source provisions relating to payments by Category-I and Category-II Alternate Investment Funds to its investors.

The Finance Act, 2015 had inserted a special taxation regime in respect of Category-I and II Alternative Investment Funds (investment fund) registered with SEBI. The special taxation regime is intended to ensure tax pass through status in respect of these investment funds which are collective investment vehicles. The special regime is contained in sections 10(23FBA), 10(23FBB), 115UB and 194LBB of the Act. Under this regime, the income of the investment fund (not being in the nature of business income) is exempt in the hands of investment fund but income received by the investor from the investment fund (other than income which is taxed at the level of investment fund) is taxable in the hands of investor. The taxation in the hands of investors is in the same manner and in the same proportion as it would have been, had the investor received such income directly and not through the investment fund. The existing provisions of section 194LBB provides that in respect of any income credited or paid by the investment fund to its investor, a tax deduction at source (TDS) shall be made by the investment fund @ 10% of the income. Under section 197 of the Act, facility for certificate for deduction of tax at lower rate or no deduction is available in respect of sections enumerated therein, if the Assessing Officer is satisfied that total income of the recipient justifies issue of such certificate, section 194LBB is currently not included in this provision.

It has been represented that the existing TDS regime has created certain difficulties. The non-resident investor is not able to claim benefit of lower or NIL rate of taxation which is available to him under the relevant Double Taxation Avoidance Agreement (DTAA), and deduction of tax @ 10% is to be undertaken mandatorily even if under DTAA, the income is not taxable in India. There is no facility for any investor to approach the Assessing Officer for seeking certificate for TDS at a lower or NIL rate in respect of deductions made under section 194LBB.

In order to rationalise the TDS regime in respect of payments made by the investment funds to its investors, it is proposed to amend section 194LBB to provide that the person responsible for making the payment to the investor shall deduct income-tax under section 194LBB at the rate of ten per cent where the payee is a resident and at the rates in force where the payee is a non-resident (not being a company) or a foreign company. Further, it is proposed to amend section 197 to include section 194LBB in the list of sections for which a certificate for deduction of tax at lower rate or no deduction of tax can be obtained. Consequential changes are also proposed to be made to the definition of "rates in force" so as to include section 194LBB in it.

These amendments will take effect from 1st June, 2016.

[Clause 3, 81 & 83]

New Taxation Regime for securitisation trust and its investors

Under the existing provisions of Chapter-XII-EA of the Act consisting of sections 115TA, 115TB and 115TC, special taxation regime in respect of income of the securitisation trusts and the investors of such trusts has been provided. The regime provides that income distributed by the securitisation trust to its investors shall be subject to a levy of additional tax to be paid by the securitisation trust within 14 days of distribution of income. The distribution tax shall be paid @ 25% if the distribution is made to an individual or a Hindu undivided family (HUF) and @ 30% if the distribution is to others. Further, no distribution tax is to be levied if the distribution is made to an exempt entity. Consequent to the levy of distribution tax, the income of the investor, received from the securitisation trust, is exempt under section 10(35A) of the Act and the income of securitisation trust itself is exempt under section 10(23DA) of the Act.

It has been represented that under the current regime, the trusts set up by reconstruction companies or the securitisation companies are not covered although such trusts are also engaged in securitisation activity. These companies are established for the purposes of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act) and their activities are regulated by the Reserve Bank of India (RBI). It has been represented that the existing

regime providing for final levy in the form of distribution tax is tax inefficient for the investors specially the banks and financial institutions. Disallowance of expenditure in respect of income received from securitisation trust increases the effective rate of taxation. Further, the non-resident and resident investors are unable to take benefits of their specific tax status.

In order to rationalise the tax regime for securitisation trust and its investors, and to provide tax pass through treatment, it is proposed to amend the provisions of the Act to substitute the existing special regime for securitisation trusts by a new regime having the following elements: -

- (i) The new regime shall apply to securitisation trust being an SPV defined under SEBI (Public Offer and Listing of Securitised Debt Instrument) Regulations, 2008 or SPV as defined in the guidelines on securitisation of standard assets issued by RBI or being setup by a securitisation company or a reconstruction company in accordance with the SARFAESI Act;
- (ii) The income of securitisation trust shall continue to be exempt. However, exemption in respect of income of investor from securitisation trust would not be available and any income from securitisation trust would be taxable in the hands of investors;
- (iii) The income accrued or received from the securitisation trust shall be taxable in the hands of investor in the same manner and to the same extent as it would have happened had investor made investment directly in the underlying assets and not through the trust;
- (iv) Tax deduction at source shall be effected by the securitisation trust at the rate of 25% in case of payment to resident investors which are individual or HUF and @ 30% in case of others. In case of payments to non-resident investors, the deduction shall be at rates in force;
- (v) The facility for the investors to obtain low or nil deduction of tax certificate would be available; and
- (vi) The trust shall provide breakup regarding nature and proportion of its income to the investors and also to the prescribed income-tax authority.

Further, it is proposed to provide that the current regime of distribution tax shall cease to apply in case of distribution made by securitisation trusts with effect from 01.06.2016.

These amendments will take effect from 1st June, 2016.

[Clause 3, 7, 57, 58, 59, 82 & 83]

Exemption of Central Government subsidy or grant or cash assistance, etc. towards corpus of fund established for specific purposes from the definition of Income

The Finance Act, 2015 had amended the definition of income under clause (24) of section 2 of the Act so as to provide that the income shall include assistance in the form of a subsidy or grant or cash incentive or duty drawback or waiver or concession or reimbursement (by whatever name called) by the Central Government or a State Government or any authority or body or agency in cash or kind to the assessee other than the subsidy or grant or reimbursement which is taken into account for determination of the actual cost of the asset in accordance with the provisions of Explanation 10 to clause (1) of section 43 of the Income-tax Act.

As a result grant or cash assistance or subsidy etc. provided by the Central Government for budgetary support of a trust or any other entity formed specifically for operationalizing certain government schemes will be taxed in the hands of trust or any other entity. Therefore, it is proposed to amend section 2(24) to provide that subsidy or grant by the Central Government for the purpose of the corpus of a trust or institution established by the Central Government or State government shall not form part of income.

This amendment will take effect from 1st April, 2017 and will, accordingly, apply in relation to the assessment year 2017-18 and subsequent years.

[Clause 3]
